Mrs. Margaret Keck

To Leave

Mrs. Margaret Keck, a veteran years service on the planning board, submitted her resignation to Town Manager Jared S.A. Clark, to become effective Jan. 26.

Mrs. Keck, in her letter, described her service as "a wonderful learning experience and I have enjoyed participating in the decision-making processes of the town."

"However, I believe that an appointed official should not appear to monopolize his position by remaining in office too long. This may deprive others of an opportunity to serve and it deprives the town of

enthusiasm which a new member can bring," she said.

The letter continued:

"I wish to thank you, and, through you, previous Town Managers — Dick Bowen, who originally appointed me, and Maynard Austin, who reappointed me and with whom I worked harmoniously for many years — for your spirit of cooperation and for having offered me the privilege of serving on the Planning

School Sitters Looking South

Construction of a new East Junior High school would probably take place on a 65-acre, town-owned tract of land to the rear of South school, if current thinking prevails.

While no decision has been made on the siting of the new secondary facility, Town Manager Jared S. A. Clark reported to selectmen this week, that of four sites viewed last Saturday, South is "the most exciting."

Other sites include use of the present East Junior High-Doherty-Stowe school complex, town-owned land in back of Sanborn school and a plot owned by the town on Cross street.

A three-member school committee gave its support to the South School site Tues-

day night, with the present East Jr. High-Doherty School site as a second choice.

Committeemen Elaine Viehmann, Casimir Kolaski and Joseph Finn ruled out the other choices and determined that South, despite lack of sidewalks and wide access roads, best fits their other requirements.

East Jr. High Principal Richard McGrail asked the committee to consider some of the present site's advantages so far gone unmentioned: its easy access to downtown, and its walking distance to Phillips Academy and Memorial Hall Library. The move to Woburn Street, he said, would mean East students could not longer take classes at PA.

(Continued on Page 18)

A Use For Old East?

What will the town do with the present East Junior high if voters opt to build a new facility?

That's the question Selectman James Abramson wants answered, or at least provide some voters with the town's thinking when the subject of new school construction is presented.

Abramson asked Town Manager Jared S.A. Clark Monday night if any thought had been given to using the old East Junior High building as a combined town-office complex, thus releasing the present town hall for possible retail use in the Central Business District.

Clark advised that he was planning to present an article to town meeting requesting \$25,000 to determine if the East Junior High was architecturally sound and adaptable to town-school office needs.

Clark further advised that the town would have at least a year to make any decisions regarding the East Junior high building. New school construction, if approved, would provide the necessary time

span for adequate planning of the future of that building.

Abramson said that he felt the voters should have some idea of what the town had in mind for the building after it is no longer assigned to education use, indicating again that the present town hall could well be leased for retail space, if the offices were moved to the school complex.

Rabbits Perish

A faulty wood stove is believed to be the cause of a stubborn fire which destroyed a barn on the Cavallaro property at 468 South Main St., Tuesday afternoon. Close to 200 rabbits, raised for meat and as pets, perished in the blaze.

Cultural Series Resumes

can enjoy cultural events with convenience within Andover? The Department of Community Services will present the second Andover Cultural Series, providing more events and a more diversified program than last year.

Other than the first event, all performances and receptions will be held at Phillips Academy.

The season will open with a Premier Celebration Dance on Saturday, Feb. 10 at the Sheraton Rolling Green. It will feature Allan Minkinn's popular and versatile seven piece band, the Versa Tones. Once again the Premier Celebration is free to all series ticket holders.

Mark Twain Sketches will be presented by the Chamber Repertory Theatre on Friday, March 16. This original play is based on selections from writings of America's greatest humorist.

The Eastern Brass Quintet will perform on Saturday, March 31. Billed as the finest

audience can imagine or has courage to suggest. This year the Series will provide a choice of subscription packages. It is most advantageous to purchase a series ticket for the following reasons: 1) the Premier Celebration is free to Series ticket holders; 2) there will again be receptions following each of the next five events, which series ticket holders only may attend and have an opportunity to meet the performers and 3) the overall price per event is substantially less.

The first package is the Full Series ticket (\$24) entitling the participant to the Premier Celebration Dance plus all five performances and receptions. The second package is the Mini Series (\$16) which includes the Premier Celebration Dance plus a choice of any three of the next five events.

Mini Series ticket holders may attend the receptions following the three perfor-

mances they have chosen. This package is flexible in that ticket holders need not commit themselves to their choice of events in advance but may do so during the course of the program.

Series tickets will be on sale at the Department of Community Services and other posted locations beginning Monday, Jan. 22. Individual tickets for the dance will also be on sale at this time; all other individual performance tickets go on sale three weeks prior to the event.

To Give Program At Library

Gertrude M. Carey

Memorial Hall Library will present Gertrude M. Carey, a certified graphanalyst, on Tuesday, Jan. 23 at 7:30 p.m. in a program "Your Handwriting Tells Tales on You." Open to the general public, the program will center around Ms. Carey's analysis of the writings of the audience.

Graphoanalysis is the study of the individual strokes of handwriting to determine the character and personality of the writer. Just as every human being is a unique individual, so is every person's handwriting different from that of anyone else. Formation of strokes, spacing of letters, slant and depth are most revealing to the trained observer.

Gertrude Carey, a graduate of the University of Lowell and Louisiana State University, is a document examiner for the Salem Superior Court and teaches handwriting analysis in the University of Lowell Community Service Program. Active in the Massachusetts Chapter of the International Graphoanalysis Society since 1972, she is currently serving as president of the professional organization.

Town House Topics

Candidates Slow In Announcing

Candidates for office in the annual town election are slow in making their intentions known, with only three persons having obtained nomination papers as of mid-week at the town clerk's office.

John Eaton, 233 Andover St. became the first candidate for a three-year term on the school committee, obtaining papers Tuesday morning. Only other candidates are

Moderator James D. Doherty, and Housing Authority member Thomas R. Wallace, both seeking re-election.

School Board Chairman David R. Ahouse is not expected to seek re-election.

The election will be Monday, March 26 and candidates have until Feb. 20 to file nomination papers with the board of registrars.

Warrant Closing Extended

Selectmen Monday night voted to extend the closing date for submission of articles to the warrant for the annual town meeting to Feb. 9 at 4:30 p.m. in the town clerk's office.

The date had been originally set for Friday, Jan. 26. Selectman James Abramson suggested moving the date to Feb. 9, in order to allow more time for consideration of town-sponsored articles.

1st Grade Reaches "Magic 30"

The enrollment of two more pupils has increased a first grade at Sanborn School to the "Magic 30" number.

After parents objected to class sizes of 28 and 29 last fall, Supt. Kenneth R. Seifert said that if they reached 30, they would consider another teacher.

Seifert will report back to the school committee Tuesday night on the steps he intends to take.

Asst. Supt. Charles Mitsakos said they want first to get back to the

teachers and see what they recommend. With nearly half a school year gone, he said they want to make sure they don't make any changes that would adversely affect the pupils.

Seifert added that three or four weeks ago one of the teachers indicated she might prefer to work with 30 pupils than split them up.

A couple of parents, however, felt that something must be done toward smaller reading groups, even if a change isn't forthcoming in the homeroom situation.

Lynch Is Named Sergeant

John Kevin Lynch has been named acting sergeant in the police department by Town Manager Jared S.A. Clark. His appointment was confirmed by selectmen Monday night. Lynch will fill the vacancy created by the promotion of

James Johnson to administrative assistant to the police chief.

Also confirmed Monday night was the manager's appointment of Franklin Haggerty to the Historical Commission.

Advisory Committee Appointed

An advisory committee to the department of public works in the establishment of a comprehensive master maintenance plan and utilization policy statement for all town maintained playing fields has been named by Town Manager Jared S.A. Clark.

Serving on the committee will be

Al Ober, Andover Soccer Association; Joseph Caffrey, Andover Little League; William Walsh, junior football league; Ron Thorpe, Walter Winn, working with Acting Recreation Director Joan Pearson, Public Works Director Robert E. McQuade and School Athletic Director Richard Swift.

Watters Is Commander

Lt. Col. Robert A. Watters, Jr., son of Mr. and Mrs. Robert A. Watters of Andover, has taken over as commander of the 3rd Cannon Training Battalion at Fort

Sill's U.S. Army Field Artillery Training Center.

Watters most recently was assigned to the Defense Intelligence Agency.

A graduate of Boston University and of the officer basic and advanced courses at Fort Sill's U.S. Army Field Artillery School, he is a Russian language graduate of the Defense Language Institute in Monterey, Calif. He earned a master's degree in Russian area studies at Georgetown University, studied two years at the U.S. Army Institute for Advanced Russian and East European Studies in Germany, and completed the Armed Forces Staff College in Norfolk, Va.

He served two years in the U.S. Embassy in Moscow as assistant Army attache, and has served in staff and command assignments at field artillery battery and battalion levels in the U.S., Germany, Thailand and Vietnam.

He has received the Bronze Star Medal with oak leaf cluster, the Meritorious Service Medal, the Air Medal and the Army Commendation Medal with two oak leaf clusters.

To Discuss Children's Development

"Why Kids Act As You Wish They Wouldn't — The Cycles of Development, Ages Two to Sixteen" will be the topic of discussion of Mrs. Nancy Richard at the Bancroft School on Tuesday, Jan. 23, 7:45 p.m. This program for parents and teachers will explain and discuss ages and stages of development and their influence on children's behavior both at home and at school.

Nancy Richard, mother of three teenage children, is school readiness consultant for the Gesell Institute of Child Development and co-author of "One Piece of the Puzzle, A School Readiness Manual."

This program is sponsored by the Bancroft PTO and all parents and teachers are invited.

Andover students who have been selected to participate in the Music Educators' Northeast District Concert in Waltham Saturday include, from left, Duane Innes, Pat Canavan, Doug

Taylor, Steve Klockow and Barry Ota. Also selected but missing when photo was taken is Gerry James.

Students Attend Conference

More than 500 students representing forty high schools in Massachusetts participated in the Sixth Annual Historical Conference held at Framingham State College on Wednesday, Jan. 10. The conference is sponsored by Upsilon-Alpha, Framingham State's chapter of Phi Alpha Theta History Honor Society.

A list of 21 topics was presented to students prior to the conference. Each student participating researched and submitted a paper on his choice of topic. The papers were then judged by faculty members of the History Department at Framingham State College.

During the one-day conference, the students were able to meet in seminar sessions to discuss their papers with others who wrote on the same topic. Moderators for each seminar were nine faculty members of F.S.C. history department, three student officers of the F.S.C. Chapter of Phi Alpha Theta, and eight Social Studies high school teachers.

Attending from Andover: Ms. Helena S. Halperin, moderator, social studies department, Alison Bedford, Eric Bernardin, Kevin Canavan, Lisa Chezchick, Carolyn Darling, Lee Gemmell, Scott Lindstrom, Anne Mackie, Jay Marciano, Dan Mauro, Patricia Moynihan, Victoria Msumba, Lucy Niedzwiecki, Cathleen O'Brien, Shelley Paulsen, Renee Pruneau, Peter Rokicki, Micol Romito, Michael Rotalo, Kathy Saba, David Sartory, Judith Sherred, Sue Stephens, Stacy Zeder.

Boat Show

The Cousteau Society will present some of the best and most exciting films of Jacques Cousteau's underwater sea adventures and environmental research projects selected exclusively for visitors of the 1979 Boston Boat Show at the Hynes Veterans Auditorium, Prudential Center in Boston opening Wednesday, Jan. 31 and running through Sunday, Feb. 4.

The films, which will capsule decades of underwater exploration by Captain Cousteau are part of an effort by the Cousteau Society to introduce boaters to the goals and global campaigns of this environmental organization. In addition to the adventurous and informative film presentations, staff members of the Cousteau Society from New York and the U.S. Coast Guard Auxilliary will be on hand to answer any questions Boat Show visitors may have.

A Matter Of History

Joseph Bernard, whose son Scott is a South School pupil, and Rose Bernard, Scott's grandmother, entertain questions from the class during Grandparents Day. Parents and grandparents shared historical experiences with the youngsters during special program last week.

Grandparents Day At South

On Grandparents Day held recently at South School a group of fifth and sixth graders sat down with some grandparents and a great grandmother to talk about those "Good Old Days." The children were prepared with questions and the grandparents had much to share about school, work family and the effects of technology on their way of life.

After having toured the school and visited the classrooms, the elders were amazed at the difference in the physical building, the audio visual aids, the diversity of the teachers and the freedom of the students. John McAllister was quite impressed that each of his three grandchildren was working at his own level. He recalled spending his school day in one classroom and the severe discipline for talking or note passing.

Kathy Smith's question was concerned

Acorns

A drink made from acorns was substituted for coffee by the Union and Confederate troops of the Civil War. Whole acorns were boiled, dry roasted and then coarse chopped before brewing, Massachusetts Audubon says. The bitter taste in acorn is tannic acid.

with wages and Mrs. Josephine Dudley from Lynnfield remembers making \$8.40 per week at her first job with the General Electric Co. Mrs. Dudley is the Great Grandmother of Jennifer, Barry and Jason Tucker.

What car was common back then? Bill Burke (grandfather of Barbara) described the "Tin Lizzie" and how people didn't worry about driving on snowy roads because their cars would be put away for the winter. And the price of gas??? Twelve cents per gallon!

When Ryan St. Armand asked about the depression, the grandparents agreed unanimously that it was a very difficult time. Money and jobs were scarce and many people lost their homes and businesses. Leo Myers gave his personal analysis of what caused the Stock Market to fall.

What invention had the greatest effect on your life? Mr. and Mrs. George Tucker both felt that it was electricity. Mrs. Tucker told about real candles on her childhood Christmas tree and how seldom they were lit.

The visiting elders thoroughly enjoyed their chance to reminisce and through the dialogue, the youngsters learned that grandparents are interesting and fun!

Named Manager

Roland F. Pratt, of North Andover, has been named manager, customer services, of Software International Corporation, leading producer of computer application software systems for improved financial manufacturing control.

Power Plant

A power plant converting 350 tons of animal feedlot wastes into one million cubic feet of methane gas per day will supply heat for residents of Lamar, Colorado, according to Massachusetts Audubon.

Residues from the plant

will produce a protein supplement for cattle feed.

Mark Twain was a redhead.

East Junior High Happenings

On Feb. 8 and 9, the East Junior High auditorium will be filled with cries of, "Go S.B.I.T." as the Drama group presents the "All American" written by Charles Strause and Lee Adams. The musical deals with an immigrant engineering professor who comes to America to teach at a Southern college. He reaches his students the only way they can understand — using football terms. As the play develops, he becomes more the coach than the teacher, and learns a lot about the "American Way."

W.J.H. Happenings

By Kim Byrne

On Jan. 3, the West Junior High Girl's Basketball team had a home game against Methuen, winning a hard fought game, 24-23. Debbie Lasota was the high scorer.

Friday, Jan. 5, was a good day for both girl's basketball and boy's Freshman basketball. The girls beat Billerica in an away game, 34-20. High scorers were Debbie Lasota (10 pts.) and Elise Balboni (8 pts.). Their next game is Jan. 12 against Chelmsford McCarthy at Chelmsford. Their record is 2-2.

The Freshman team won against Chelmsford McCarthy at home, 55-29. Russell Lewis scored 22 points. On Jan. 9 they played against Lawrence at Lawrence and lost 48-46. Their record is now 3-3.

On Friday, Jan. 5, there was a dance at West. It was a fun evening and a lot of people attended. A raffle was held, with four albums awarded. The raffle and dance raised money for the student government.

Woman Is Certified Graphoanalyst

Judy Claire Earle, 8 Tobey Lane, Andover, has received a certificate qualifying her as a certified graphoanalyst. The International Graphoanalysis Society, based in Chicago, Ill., granted the certificate to Ms. Earle after she successfully completed an 18-month extension course in the techniques of scientific handwriting analysis.

A Certified Graphoanalyst is trained to identify personality traits in people without the necessity of meeting them, using samples of their handwriting for analysis purposes.

Mr. Earle points out that the services of Graphoanalysts are being used in business to facilitate personnel selection, credit risk evaluation, and also in questioned document examination work. She advises, too, that the Graphoanalytical system of personality assessment is recognized as a valuable aid in counseling and is used by personal, marital, vocational, and child guidance counselors in many parts of the world.

Major roles in the musical will include: Professor Fodorski, Howard Miller, Grade 8; Elizabeth Hawkes Bullock, Lee Parpart, Grade 8; Susan Piedmont, Kara Gemmell, Grade 8; Edwin Bricker, Tom Witt, Grade 9; President Piedmont, Norm Berner, Grade 9; Hilly Henderson, Joanne Eaton, Grade 9; Hulk Stockworth, Scott

Christie, Grade 8, and the indomitable moose played by Marisa Sullivan, Grade 9.

The cast will also include a hand-working group of seventh, eighth, and ninth graders who will do a fine job on this adaptation of a story by Mel Brooks.

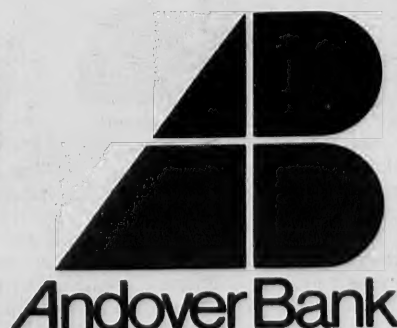

Tickets will be available on the evenings of the performance and from students at East.

The production is being directed by Thomas Button, choral director and general music teacher at East.

Keeping the Holiday Spirit alive...

It was a great Christmas, a super New Year and in general, a very enjoyable Holiday Season. But, you may have spent just a bit more than you should have. To spread the Holiday Spirit, you just might have spread yourself a bit too thin. Well, at Andover Savings Bank, we think we can help you budget those post Holiday bills with a Debt Consolidation Loan. Why not give us a call at 475-6103 or visit one of our conveniently located offices and find out how we keep the Holiday Spirit alive.

DCS Winter Program Set

The Department of Community Services Winter Program Booklet has been mailed to Andover homes. Registration for the Department's programs will be held on Monday, Jan. 22 at the following sites: East Junior High School, Sanborn School, and West Junior High School. Registration continues after the 22nd, but only at the DCS office at 36 Bartlet St. Classes begin on Monday, Jan. 29.

The Department has added a variety of new programs and special events this season, with the Cultural Series topping the list of activities. Among the programs this winter's booklet includes, are:

Monday

Greater Lawrence Outreach Counselors Sherry Katz and Karen Lubber will offer an Assertiveness Training course for women designed to teach effective communication, help distinguish between assertiveness and aggressiveness, and assist in asserting your rights without guilt, anger or anxiety.

Margaret Pike Cronin will be teaching Oil Painting at the Senior Citizens Haven on Monday mornings. This beginners course will start at the beginning steps of sketching and lead to painting and the finishing of the project.

Martha Schoen will instruct a class entitled "Movement for Tots and Their Moms" which will offer mothers and children (ages 3½-5) an opportunity to participate in a basic movement education program. The class will meet on Monday mornings.

Stephanie Brooks will be teaching classic ballet to children in grades 3-6 during afternoons at the Sanborn School.

Monday will also be Cribbage Challenge Night when players will meet to socialize and to pit their cribbage playing talents against one another. This class will be held evenings at the East Junior High School.

Monday Workshops: A Rape & Crime Prevention Seminar offered through the Methuen Police Department on Feb. 5 will enlighten both males and females to what services are available to them in these types of situations. A self defense portion of the seminar will deal in what a person can do and use to protect themselves against an attacker.

Kathleen Murphy will tell What To Do When There's Nothing To Do on Feb. 26 and March 5. This two time workshop will give some new ideas of things to do and places to go with preschool children on long winter afternoons.

Kathleen will also offer a workshop on March 19 and 26 on Life's First Three Years. This course will explore the fascinating but often confusing first years; emphasis will be on practical suggestions rather than formal theories.

The American Indian: Their Dance, Music and Life will be held on March 12. Utilizing dance, and music this workshop is designed to provide a unique perspective to Native American life. The course will concentrate on the Omaha and Winnebago tribes. A related arts and crafts display will be presented along with group discussion and participation.

A Chocolate Candy Workshop will be

offered on March 26 and April 2 by Elaine Morello. This two-time workshop will begin with a first night of instruction followed by class participation on the second night. Projects include sheet molds, lollipops, barks, turtles and more.

Tuesday

Carole Becker will bring in a host of guest speakers to present programs dealing with topics such as: past life regressions, hypnosis, tarot card reading, astrology magic, and the Quabalah in Discovering Your Psychic Awareness. Alfio Graceffa is getting together a Community Band. Some pop and classical arrangements will be provided.

Learn expressive and receptive finger spelling in Deafness: Introductory Manual Communication, a ten-week course introducing the student to the basics of manual communication used by deaf people. Instructor Clifford A. Lawrence will use approximately 350 signs used in American Sign Language. Fran Dixon will be teaching a daytime Knitting & Crocheting class at the Haven for both beginners and advanced.

"Jazzercise" will be a new program that will help students to develop body awareness, improve flexibility as well as weight loss through basic yoga and dance exercises.

Tuesday Workshops: An Infant Stimulation Workshop offered by Marlies Zammuto on Feb. 13, will focus on how to enhance baby's and toddler's development through play.

Wednesday

Marlies Zammuto has designed a unique course, Teaching Your Baby Through Play, in that parents and their babies attend class together.

An Advanced Calligraphy course will be offered this winter in addition to Fran McCormick's basic level course. This advanced class will focus on exercises and project hints.

Chess Fundamentals, is designed for the beginner and below average player. Richard Maurice will present an overview of chess history as a supplement to an intensive, systematic discussion of the basic skills, emphasis will be on practical and immediate application of beginning chess theory.

Martin Brooks is offering a Creative Writing — The Novel course and workshop for those interested in the development

and style of the writing, rewriting, and editing of a fiction novel.

Fundamental Tap Dancing for Boys and Girls and Adult Tap Dancing are two classes that will introduce this art form to both the younger and the older age groups. Stephanie Krauson teaches both these classes at the Sanborn School.

Wednesday night will also be "Backgammon Challenge Night" as individuals will have the opportunity to take on opponents in one of the most popular table games in the country.

Wednesday Workshops: A series of Basic Library Reference Sources Workshops will be offered at Memorial Hall Library.

Research Tools For The Student, Feb. 7 only, will emphasize bibliographies, specialized periodical indexes, encyclopedias, almanacs, statistical sources and more.

Business Resources and Research Tools, Feb. 14 only will concentrate on teaching the small investor the use of business information services, developing a stock portfolio and how to get some facts about a company.

Law Research For The Layman, Feb. 12 only, will cover how to make sense of state and federal laws, court decisions and the code of Federal Regulations and legal information services free to all citizens.

Genealogy-Digging Up Your Family Roots, Feb. 28 only, will discuss the various information sources available in New England (ie. historical & immigrant burial societies, church and census records) and how to use them.

Developing Your Home Library, March 7 only, will discuss the criteria used in determining what you should look for in the selection of your home library.

Thursday

Robb Cook will teach you How To Read

Abraham Lincoln snored.

Million Dollar Seller

Valerie Roberts

Luby Real Estate announced that Valerie Roberts has listed or sold over a million dollars worth of property in the Greater Lawrence area, during her first full year with the company.

Having spent 18 years traveling and living throughout the U. S. and Europe with her husband Tom, and her two children, Karen and Derek, it is with confidence that Valerie can state to a prospective buyer that the Andover area is the ideal place to live.

Valerie is presently completing a diploma course for her GRI designation within the Massachusetts Board of Realtors.

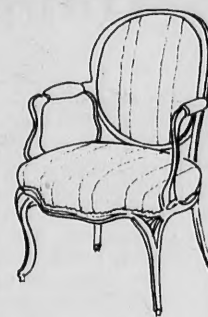

Music. Starting from scratch you will learn what printed music has to say. The skills this course will teach you will be useful for singing and in playing an instrument.

A morning course will be offered in Hatha Yoga at the Haven by Niki Rosen. This beginning class will help in promoting a feeling of well-being through slow and complete stretching, simple breathing exercises and relaxation techniques.

Karen Harris will introduce a new junior-senior high school art program that will be called "Introduction to Drawing,

Girls Basketball League

Competition starts this Saturday in this year's Elementary School Girls Basketball League. Six teams comprising the league represent the following schools: Sanborn (2 teams); Doherty; Bancroft; Shawsheen; and St. Mary's of Lawrence. Each week this column will announce games for the following Saturday. Scores and highlights of competition within the league will appear in separate articles.

Moonlight Ski Tour

This season's first Moonlight Ski Tour will be held — weather permitting — Thursday, Jan. 18 from 7 to 9:30 p.m. The tour, which will be held on one of the local land reservations, will be guided by employees from Moor and Mountain. (Guide-skier ratio will be 1 to 6.) Intended for the intermediate/advanced skier, the tour will attempt to take advantage of the full moon during this particular week in January. Registrations and fees must be delivered to the DCS office at 36 Bartlet St. For further information, individuals should contact the Community Services office.

Cultural Series

The second Andover Cultural Series will begin with a Premier Celebration Dance on Saturday, Feb. 10 at the Sheraton Rolling Green. Allan Minkinn's popular and versatile band, The Versatones, will be featured in this initial celebration. The five subsequent events are scheduled at Phillips Academy and will include: Mark Twain Repertory Theatre; The Eastern Brass Quintet (Mar. 31); Mandala Folk Dance Ensemble (April 8); Trinidad Tripoli Steel Band (in May); and The Proposition Workshop (June 10). Tickets will be on sale soon at posted locations throughout Andover and the Department of Community Services office.

Winter Program

Painting and Printmaking."

Niki Rosen will teach an evening of "Yoga for Beginners" course which will give adults a chance to learn about the beneficial exercise techniques of yoga.

Friday

Once again the Merrimack Valley Ski Area will be offering lift ticket discounts to Andover residents with its popular "Family Ski By Night" program. Anyone providing proof of Andover residence is eligible for this program.

Saturday

Joan Bryce will take children on an adventure by exploring literature, crafts and customs that surround some of our most popular holidays. This winter, special children's holiday workshops will be held in honor of Valentine's Day, St. Patrick's Day and Easter.

Many of the department's most popular programs will also be offered this season. Such programs as Calligraphy, Children's Gymnastics, Chair Caning, Disco Dancing, etc. will be joined by an experimental Moonlight Ski Touring class

Exploring Career Options

"What are you doing with the rest of your life?" is the questions Continuum poses to women who are changing directions.

One woman from Andover, Mary Ann Berger is resolving this issue through a nine month internship program at Continuum, 785 Centre St., in Newton. Established in 1974, Continuum was the first school in the Boston area to combine direct work experience or internships with continuous career counseling and workshops in an academic year program.

Mrs. Berger entered the program in September with 23 other women from the Greater Boston area including the Cape and the North Shore. They completed orientation period in October and are currently working in their first internship placements.

Mrs. Berger is assistant to the assistant to the president of the Boston and Maine Railroad. Her intern duties include gathering and analyzing data and working in the financial area. "The program provides me with the opportunity to explore other fields, including industry," she

states. Her varied background includes a B.A. and teaching art as well as editing, layout design, and work in an advertising agency.

Mrs. Berger and her co-interns are exploring new career options through the Continuum Program. All the interns rotate through three separate internships during their academic year.

Sponsoring organizations from the greater metropolitan area participate. Internships are available in legal, medical, educational, governmental, and artistic fields, as well as a variety of other areas. The counselors provide ongoing private and group career counseling. Weekly seminars on work related skills develop the students' abilities to select, enter, and advance new careers.

Continuum, a private school licensed by the Commonwealth of Massachusetts Department of Education, grants a certificate to graduates of the internships program. For information about the school and its career services for women, call or write Continuum, 785 Centre St., Newton, MA 02158.

East Junior High Students Study Boston On Site

Last week, as part of their American Studies program, a busload of eighth graders visited Boston to see and learn about some of the people, places and events so often read and heard about in the classroom.

The 'back to historic 18th Century Boston' trip began with an orientation from atop of the Hancock Building. By the use of several fun-scopes (a type of locked-intelescope) students were not only able to see many locations, soon to be visited in the North End, but were treated to a re-enactment of many events before and during the American Revolution as well as a simulated helicopter ride over present-day Boston. A tour guide was even most willing to discuss Doug Letch's question about the glass window problems of the past.

Next stop on-site was a tour and talk at Old North Church by the Vicar, Rev. Wilkenson. The story of Revere's ride as well as the history of the church were told. When Doug Gildersleeve requested to see the landlamps, he was obliged by being able to see the most recent gift to the church — an 18th century replica given to the church in 1975 by then President Gerald Ford. No trip to the Old North is complete without crossing the Revere Mall — down the street and up a narrow, winding alley called Prince Street to the Paul Revere House. As students and teachers all crowded into the "keeping room," for it was mid-morning by this time and just 10 degrees, and the fireplace warmth was most welcome, the tale of the North End's famous messenger and silversmith was revealed.

Nearing the noontime hour, some vocal thoughts as well as outright questions centering about lunch were heard. What better place to be near but the famous Quincy Market. The group was lead into the market and were requested to keep their eyes open and were warned against instant confusion which would certainly result after having come in contact with the various aromas resulting from Chinese vegetables, Italian pizza, German sausage and Greek lamb. The smell of fresh baked breads and pastry was overwhelming.

With lunch over, the classes proceeded to the Bunker Hill Pavillion to view the multi-media slide and sound re-enactment

The giraffe has a maximum life span of 30 years — approximately the same as the Neanderthal man during the early Stone Age.

of the Battle of Bunker Hill. The camera crew of Dave Barron and Charlie Quinn kept quite busy.

The guides answered many questions and were most patient as coats and gloves were exchanged several times. It has often been said that no trip to Charlestown's Bunker Hill is complete without a stop at U.S.S. "Old Ironsides." As cola as it was, spirits were not blighted as a member of the crew, dressed in original costume, told of the heroics of the famous ship. Gregg Sacco and Steve Kilmain reminded that the time had arrived to depart. Mr. Sweeney, the bus driver, had the bus all warmed up and was anxious for the return trip. Soon the familiar Route 93 North signs were in sight and the

Lecture

On Tuesday evening, Jan. 16 at 8 p.m., Ms. Anne Farnam, curator of the Essex Institute of Salem, will deliver a lecture entitled "Essex County Victorian: An Interim between Colonial Styles."

Essex County's rich Victorian heritage has been largely obscured by our present day fascination with her colonial past. A wealthy and substantial industrial area in the mid-19th century, the county's eminence did not immediately fade with the loss of shipping in the 1820's as is popularly believed. Many outstanding buildings were created and much furniture manufactured during the Victorian period in Essex County. Many revival styles in furniture and architecture during the middle decades of the century (1840-1880) were widely appreciated by local residents. Interiors became over-decorated and over-stuffed.

Among some primitive peoples it was considered bad luck to refer to soldiers by name. They were spoken of as birds instead.

class proceeded back to the reality of the 20th Century.

Upon returning to East Junior High, Mrs. Jan Scheerer and Lowell Canovitch distributed several souvenir booklets to the group.

The trip was planned and conducted by Charles Labelle of the social studies department.

Approves Girls' Track Position

The school committee Tuesday night approved a new assistant track coach position for the girls' program, with a salary of \$600 to \$1169.

Committeeman Casimir Kolaski called it "putting our monies where our mouths are," because of their support of the girls program.

In other personnel action, the committee accepted the resignation of Debra Woolard, who has been a permanent math substitute at East Jr. High since

September of 1977; approved an increased assignment for German teacher Ilse Fersing; approved a request for a waiver for Adrian Comeau, now industrial arts teacher at the high school on permanent substitute status; and increased the rate for some special needs substitutes from \$25 to \$30 a day.

Mrs. Fersing has been teaching German I and German II at the high school this year, but due to a clerical error, has been paid for one-fifth instead of two-fifths

time. Though Comeau is not a certified industrial arts teacher, Supt. Kenneth R. Seifert said it is sometimes difficult to find one, and a waiver will allow Comeau to teach for the remainder of the current school year.

Seifert also said it is very difficult to get substitutes to come in to some of the special needs classes for the regular \$25 a day, and Committeeman Elaine Viehmann, acting as chairman Tuesday night, added that these classes are "probably the seven most difficult classes in the system and need teachers with very special expertise."

The ancient Egyptians included books on how to reach the other world when they entombed their mummies.

Promoted To Manager

The Star Market Company has promoted Romeo R. Cefalo to resident store manager of the Mt. Auburn St. Store from his most recent position of manager in Stoneham. Cefalo, who joined Star in 1971 in the management development training program, has also served as manager of the Everett Star Market.

Cefalo was graduated from Western New England College in 1971 where he was an All-New England baseball player and captain of the football team.

Cefalo and his wife Janet, a stewardess for Delta Airlines, live in Andover.

CBD Responds To Board's Criticism

The Central Business District committee has responded to criticism from selectmen concerning the publication of a booklet containing the sign bylaw advisory.

Selectman Virginia Cole was particularly critical of the booklet after it was published in December, noting that it was costly and created an abundance of books and advisories on similar subjects.

In their response, the CBD group, in a letter signed by Sue Tucker, secretary, advises selectmen that the creation of the published advisories is a response to citizen's wishes with regards to signs in the downtown area. It provides an "effective mechanism for interpreting design issues and raising awareness of the importance of attractive signs."

Also, the CBD group points out, the booklet was paid out of the planning board budget and was "planned and deemed important."

The letter:

"In response to your concern over the Sign Bylaw Booklet, the CBD Committee wishes to provide the following information which may clarify the purpose and cost of this project. Perhaps it was our failing that we were not present at your

meeting when the Booklet was presented to you.

"As each of you is aware, the health and appearance of our downtown has been an important issue to the citizens of Andover for several years. On close examination of the downtown, it appeared that sign control was a vital step in improving our CBD. A consensus among merchants and town officials was reached that guidelines rather than mandatory rules would be a more acceptable method of sign control. Town Meeting gave its support to this project by adopting the final guidelines.

"Since there were no mandatory rules for businessmen to follow, the issue for the CBD Committee became one of communicating and promoting the new guidelines to insure maximum conformity with the town's expressed wishes concerning signs. Booklets have consistently proven to be an effective mechanism for interpreting design issues and raising awareness of the importance of attractive signs. During our committee's study of other communities which have undertaken similar projects, we examined at least ten such booklets. Most, in fact, were more elaborate than Andover's and we are

rather proud of the short and concise nature of the booklet.

"The Planning Board did not request extra funds or this booklet; funding came directly from that Board's budget as a project which had been planned for and deemed important.

"We hope that you will join our efforts to insure that the Sign Booklet receives wide distribution and use so that we can all look forward to a town that grows in attractiveness as it grows in population.

Ice Crystals

The most simple ice crystals, the needles, form at great altitudes in cirrus and cirrostratus clouds where water vapor and temperatures are low. Massachusetts Audubon tells us. Rings around the sun and moon are made by light passing through these crystals.

Many people believe it good luck to be born with teeth.

Presented Award

Jonathan and Toni Weber, owners of Butler's Pantry, receive award from Luke Pfeifle, head of the Center Merchant's Association of Andover Chamber of Commerce, for the winning window display in the contest conducted by the group. The holiday season display was judged best through balloting by visitors to the downtown area. There were 18 stores participating.

"It usually takes more than three weeks to prepare a good impromptu speech."

Leo Constantineau

Artist's Work On Exhibit

Leo Constantineau's watercolors are on exhibit in Memorial Hall Library throughout the month of January. Constantineau, a native of Lawrence and a resident of North Andover, is a graduate of Massachusetts College of Art and a teacher at Methuen High School.

For a period of 20 years, Constantineau designed and built tracker-action pipe organs for the Andover Organ Company. During this period he rekindled an old interest in woodcarving, concentrating mainly on the human figure. His work was exhibited at the Pingree School, Hamilton and also in Newburyport.

In the past two years, after returning to the teaching profession, he has resumed watercolor painting and has had exhibits at the Neviins Memorial Library, Methuen and the Lawrence Public Library.

Many of the paintings in this exhibit portray scenes of Prince Edward Island, as a result of Constantineau's recent trip there.

Nocturnal

During the winter, opossums live in holes in rocks, trees or in the ground. Although they are nocturnal they may be seen hunting for food during the day. The front feet make tracks like little stars. The hind feet have four toes with claws, and a thumb-like toe without a claw, Massachusetts Audubon tells us.

There may be as many as 40,000 asteroids, large chunks of rock, orbiting the sun between Mars and Jupiter.

School Advisory Concern Expressed

The question of when to go to town meeting and for what building advisories, is expected to be on the school committee's agenda Tuesday night.

They'll meet at 7:30 p.m. in Stowe School.

At the special December town meeting, the committee promised to give the voters an opportunity to decide whether to renovate East Jr. High or build a new one. However, there is now concern that if they wait until spring meeting for such an advisory, they may not have time to go ahead with design and development plans and get bids back in time for bonding by the October town meeting.

Public Views Sought

Auditorium Size Seems Agreeable

The school committee Tuesday night settled on a size for the prospective new auditorium at Andover High, but could not come to a consensus on one of the schematic drawings presented by the architects last week.

Committeeman Casimir Kolaski said he was particularly unprepared to make a decision without hearing public reaction to the plans.

The place for public input on the facility, which is envisioned as a performance-meeting center for the whole community, is now the School Building Committee, which meets Thursday nights in Stowe School.

The school committee did vote Tuesday to go along with the superintendent's recommendation of 42,100 square feet for the auditorium. Seifert said that from an educational standpoint, he wanted an auditorium that would accommodate 1500 to 1600 people so that they could see the stage and hear the presentation. He also recommended the rectangular Scheme B because he felt Plan C, a semi-circular version, required too much space.

Several other quarters were heard from Tuesday night, however, beginning with Allan Minkinnen, an Andover music teacher who offered his input before final plans are made. "We're now talking about refinements," he said, and noted that he

Architects now estimate that every week the construction is delayed beyond that would cost \$45,000 in rising costs.

Committeeman Casimir Kolaski said Tuesday night he felt the town had given them the mandate to go ahead and plan "the whole job," and expected only to be in on the decision of whether to renovate or build a new East. He felt the committee would be in good position by April to ask that question, and suggested they submit several articles by the Feb. 9 warrant deadline, then withdraw those they rule out along the way.

Committeeman Joseph Finn was more

had found some things in the plans that "we can all live with," but many other details that could make a significant difference in the amount of use the facility will get.

Andover High Drama Advisor Bob King made a plea for a larger facility, asking if they were locking themselves into an auditorium "that barely fits the present enrollment." However, he said he was willing to take anything we can get.

John Doyle of Reservation Road, who serves as a resource person for the building committee, said he was annoyed by lack of citizen participation in the effort.

Associated with the Merrimack Valley Philharmonic, he has been regularly attending the building committee meetings, and had expected to see representatives from other arts as well.

Doyle, who is particularly interested in the physical aspect of the facility, has built a model of a semi-circular auditorium, which will be on display in Memorial Hall Library. He felt if people know their input is desired, "they'd flock in."

If you anticipate a snowstorm, back the car into the garage. You won't have to risk stalls when you turn around.

concerned with the "moral" aspect of the situation, since it now appears the whole project would cost \$2 to \$3 million more than the original \$10 to \$11 million estimated. He said he feels it's "incumbent" on them ask the voters if they still want to go ahead, before spending design and development funds for West Jr. High renovations and the high school addition and auditorium.

Elaine Viehmann, serving as chairman in David Ahouse's absence, suggested that

those who can, attend the building committee's meeting tonight. That group is expected to discuss articles they themselves are considering for the spring town meeting.

The next official step for the School committee is to approve educational specifications, so the building committee can proceed with its responsibilities. Ed specs for West Jr. High and possibly the high school are also on Tuesday night's agenda.

Habits Aid Heart Ills

Heart disease remains the leading cause of death in America today.

Although no single factor will prevent heart disease, good health habits are as favorable to the heart and circulatory system as they are to all body functions.

If you already have some form of heart disease, suitable medical management and good living habits can prolong life and make it more enjoyable.

The American Medical Association offers some suggestions for the healthful living habits that will reduce the risk of heart disease.

Understand heart disease, but don't fear it. Know about its causes and how to cope with it.

Learn your personal health status by periodic medical examinations. Discovered early, heart disease can often be better controlled.

Eastprint Purchases N. Y. Firm

Eastprint Inc. of Andover, has announced completion of its purchase of the assets of the Tape, Label and Adhesives business from M.M.F., Inc., a subsidiary of Graphic Controls Corp. of Buffalo, N. Y.

John Bianchi, president of Eastprint, in making the announcement, "Expressed appreciation to the Bay Bank Merrimack Valley N.A. for their assistance in enabling Eastprint to remain a locally managed company." He went on to say, "that we are most optimistic and enthusiastic about our prospects for the future."

The two vice presidents are local Andover residents. The vice president of manufacturing is R. Rand Richmond, and the vice president of sales and marketing is Robert R. Schmidt.

Assisted In Drive

Red Cross volunteer nurses from Andover formed part of the huge team required to conduct the two day blood brotherhood operation in Boston on Jan. 10 and 11.

Kathleen Lane, R.N. coordinated the local recruitment effort on behalf of the Greater Lawrence Chapter of the Red Cross and took her team to Boston on both days of the bloodmobile to assist in the operation by completing the medical histories of prospective donors. This necessary step in the blood donor cycle must be performed by RNs and is carried out to protect the health of the donor.

Aside from Kathy Lane, Marilyn Beattie, Gertrude Colpitts, Judy DiDonato, Anne Lux, Nancy Hurlin and Edith Eastman participated. As a result of the efforts of the volunteer team and the humanitarian spirit of the donors, over 700 pints of blood will be made available to hospitals throughout the state.

South

(Continued from Page One)

Clark told selectmen Monday that the committee members involved in the junior high decision viewed the various sites Saturday and all but discounted the Sanborn site. It is too close to Route 93 and would present traffic problems.

The Cross street site was also practically ruled out, due to the necessity of providing a sewer line to the area considered to be cost prohibitive. It also could induce an upward swing in development in the area with its incumbent strain on town services.

This leaves the decision on where to locate a new secondary facility to either South or the present complex.

As for the South school area, Clark points out that the town-owned land contains 65 acres of fairly level, dry land, with water and sewer lines nearby.

The site is flexible enough to accommodate either a one-story or two-story building.

With master planning of the acreage, the plot could be also planned for expansion of elementary school facilities at a later date if necessary.

The new building would be located in a continuing growth area and would remove the educational facility from its proximity to the Central Business district area.

Disadvantages noted by Clark included poor access roads and possible increased transportation costs. The only good access road to the area is via Abbot street. Clark felt that Ballardvale road is bad for school bus traffic. He told selectmen Monday night that possibly Ballardvale road would have to be rebuilt from Enfield Drive to Woburn street, to eliminate a bad curve, if the South site were to be selected.

The town would also have to build additional playfields if the South tract were chosen, something that would not have to be done, if the facility were built adjacent to its present location.

The manager cautioned that the South school area may not be "politically acceptable," due to the East Junior high having been in its present location for so many years. The new location would remain in the category of being neighborhood school serving the east section of town, but custom has established the present location which might be politically desirable.

As for building to the rear of the Doherty school, Clark said there is good access, roads and sidewalks being already in place and in good condition. It is in a high population area, and busing costs would be less. Its higher degree of "political acceptability," also provides for use of the facility during after school hours.

Clark said he would encourage PTO groups and civic minded persons interested in the school issue to view the South school site. The area is accessible through trails. It runs from the rear of the South building toward High street in Ballardvale.

The manager noted that the town is faced with a perplexing situation of having four sites available through the foresight

of planning and actions by town meeting in acquiring the land in prior years. The result is an enviable dilemma of having the land available and presenting choices to be weighed before siting the new building.

Use Of East

(Continued from Page One)

School Committeeman Casimir Kolaski told his board Tuesday that he had been looking at the possibility of using the present building for publicly funded, but privately owned elderly housing. He said it would be a relatively low-profile use that would be compatible with the elementary school, and demand little in the way of extra space and parking. He said the building could be preserved "with some dignity" of design.

"I'm finding there is a market for elderly housing," he said, "it is being done with success in other communities about this size, and there is money available."

The selling price of the old school could then, he said, be deducted from the cost of new construction.

Mrs. Keck

(Continued from Page One)

Board. I have enjoyed it and I am sure that my successor will as well."

During her tenure on the board, Mrs. Keck has contributed many hours toward activities allied with the planning department.

She has been active in reviewing conservation land acquisition and laws affecting such properties.

Also, she has been an initiator of an advisory committee to assist in Central Business District Planning and parking problems related to the downtown area.

Accidents

Traffic accidents are the greatest cause of death among young adults in the U. S., Chile, Costa Rica and Venezuela, Massachusetts Audubon says.

Snow Cover

Snow provides cover and warmth for small animals. Temperature on the ground beneath two or three feet of snow may be 70 degrees above the air temperature outside, Massachusetts Audubon tells us.

Filippello Commissioned Ensign

Navy Ensign Michael E. Filippello, son of Anthony and Rosemary Filippello of 6

Brentwood Circle, Andover, was commissioned in his present rank upon completion of Aviation Officer Candidate School.

The 13-week course at the Naval Air Station, Pensacola, Fla., was designed to prepare candidates for their future duties and responsibilities as commissioned officers and to prepare them to enter primary flight training.

During the first 11 weeks of the course, the prospective aviators received general military, academic, physical fitness and leadership training. In this phase, their studies included navigation, military justice, mathematics and physics. The final five weeks were devoted to pre-flight training and included study of aerodynamics, sea and land survival, aviation physiology, and basic aircraft

engineering.

A 1978 graduate of Boston University, with a Bachelor of Arts degree, he joined the Navy in August, 1978.

Nine inches of glass fiber in attic insulation saves up to 20% of home heating bills annually, says Boston's Museum of Science in its new exhibit, "Energy: Crisis and Challenge."

Memorial Hall Library

National Handwriting Day

National Handwriting Day is observed each year on Jan. 23, the anniversary of John Hancock's birthday. Memorial Hall Library will present Gertrude M. Carey, a certified graphoanalyst, on Tuesday, Jan. 23, at 7:30 p.m. The program will center around Ms. Carey's analysis of the writings of the audience. Everyone is welcome to participate in a program designed to explain how character and personality can be determined by graphoanalysis.

Community Calendar

A new Community Calendar is now hanging in the main reading room near the Reader's Guide. The calendar serves as a clearing house for dates of Andover activities and is readily available at all times for inspection. Organizations, as they plan and schedule events, are asked to call Mrs. Sherrerd at the Library to have their program listed on the Community Calendar.

Speedreading Class

There are still openings for the Speedreading Class to be conducted by Sanborn Associates at Memorial Hall

Library on Monday evenings. Registration for the course, which will meet for six weeks starting Monday, Jan. 22, may be made at the Circulation Desk of the Library.

Art Display

A new display of art work by students of Pat Pope at East Jr. High School, is now featured in the main reading room.

Children's Room News By Bridgett Bennett

Ready for borrowing from the Children's Room are four new sets of Richard Scarry's Puzzletown games. Designed for children, ages three to eight years, these games are based on the characters from Scarry's books, with additional building parts for constructing a town, a farm, a medical center, or a cottage. These games may be taken out by parents for a one-week period and will provide many hours of imaginative play for your borrowers. Other games for very young children include a set of nesting eggs, a form fitter, building blocks, and a rhythm band set.

Andover area who would like to know more about the Newcomers Club should contact Sandy Carothers, 202 Shawsheen Road, Andover or Carol Brown, 230 Abbott St., North Andover.

Sorority Conducts Ritual

The Beta Mu Chapter of Beta Sigma Phi Sorority, an International Women's Organization held their Ritual of Jewels Degree recently at the home of Mrs. Jennie LeBlanc, 7 Autumn Circle, Plaistow, N. H.

President Cathy Brown and Vice-President MaryAnn Repczynski conducted the candlelight ceremony.

The new members who received the degree are Jean Sunderland of Andover;

Donna Coyle of Plaistow, N. H. and Ellen Hammond of Atkinson, N. H., who is transferring from another chapter.

Plans for their annual Yellow Rose Charity Ball which benefits the Merrimack Valley Chapter of Cerebral Palsy were also discussed. The Ball is to be held Saturday, March 10, 1979 at the Montvale Plaza in Stoneham.

Programs For Community Women

Conditions for local women has been YWCA business for nearly 100 years. Continuing the tradition the Greater Lawrence YWCA is working on its plans for action by developing new programs that address all aspects of self development. A series of new workshops will be offered during the up coming February through March pre-spring term.

The Greater Lawrence YWCA Women's

Resource Center will offer "Assertiveness Training" at a reasonable cost. The 8 week training is geared to increase self-confidence and effective communication with others. The Clinical Supervisor of the Center, Jean Papka, NSW, will lead the group.

"Stress and Your Body" will explore various stress factors and their effect on your health. Physical and mental relaxation techniques and various life style aspects that effect response to stress will be explored. Women of all ages are encouraged to participate in this 8 week program. The group will be co-lead by the Center Director Emily Defusco Perkins and Sherry Katz, M.Ed. of Greater Lawrence Outreach.

Additional programs of the Women's Resource Center will include women's history, health care and sexuality. For further information contact the YWCA.

ESP Expert To Address Newcomers

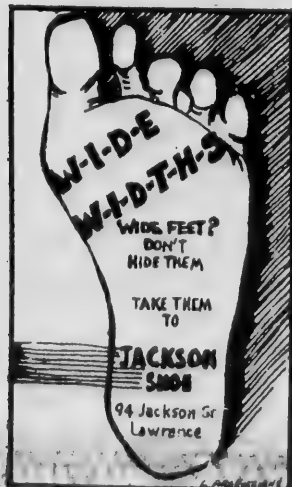

The Andover-North Andover Newcomers Club will hold its monthly meeting on Jan. 23 at 7 p.m. at the Andover Knights of Columbus. The speaker will be Russ Burgess, who is a well known and respected ESP expert. This is the first evening meeting and all members, husbands and friends are invited to attend. Make reservations with Cathy Huston, 47 Farrwood Drive, Andover.

The next Fun in the Hub trip will be a brunch and fashion show at Lord and Taylor's on Feb. 1. The bus leaves Shawsheen Plaza promptly at 9 a.m. and returns at 3 p.m. There are still seats available. Contact Jo Satory, 9 Eastman Road, Andover for reservations.

February Wedding Planned

Dr. and Mrs. Alphonse M. Tatarunis, 8 Lincoln St., Andover, announce the engagement of their daughter, Paula, to Philip W. Donohue, son of Eleanor F. Donohue, 31 Donna Road, Framingham and Robert T. Donohue, 141 Cordova Walk, Long Beach, Calif.

Dr. Paula Tatarunis graduated from Wellesley College with a B. A. in Molecular Biology, and received her M.D.

from the University of Massachusetts Medical School in 1977. She is presently an intern in medicine at the Framingham Union Hospital.

Her fiancé graduated from Framingham North High School and is a student at Framingham Union Hospital School of Nursing.

A February wedding is planned.

To Wed In May

Mrs. Nancy Penwell Hood of Andover announces the engagement of her daughter Susan Richards Hood to John Patrick Greenler of West Boxford, son of Mr. William Greenler.

Oysters Rockefeller

The famous dish baked with oysters, spinach and bacon, called Oysters Rockefeller, is said to have originated in 1899 at Antoine's, the famous New Orleans restaurant. Story has it that the dish got its name when a customer took a taste and exclaimed, "It's as rich as Rockefeller."

Olive trees sometimes live more than one thousand years.

Miss Hood is a graduate of Masconomet Regional High School and the Shepard Gill School of Practical Nursing at Massachusetts General Hospital. She is on the staff of Mass. General Hospital.

Mr. Greenler is a graduate of Masconomet Regional High School and Merrimack College. He is employed at The Essex County Superior Court, Salem. A May wedding is planned.

Gold Medal

Jane Anderson of Andover, a graduate of Essex Agricultural High School in 1978, won a gold medal for her placing in the recent National Ornamental Horticulture contest in Kansas City, Missouri. She was a member of the 10-student delegation from the Agricultural High School attending the 51st National Future Farmers of America Convention. Jane is employed at Forgetta's Flowers in North Andover where she is shown with Mrs. Joanne Forgetta in one of the greenhouses. A horticulture major at Essex, she was active in school and FFA affairs, and a member of the student council.

Irish Art

St. Patrick's Bell, an early Christian period iron bell, is admired by Mr. and Mrs. Martin Hordidge of Andover as they visited "Treasures of Early Irish Art" at the Museum of Fine Arts. Now in the final weeks of its Boston visit, the exhibition spans 3000 years of Irish history and culture and displays 70 masterpieces. St. Patrick's Bell, thought to be used by St. Patrick and buried with him in his grave, is subrectangular in section and is made of iron with added bronze. Final day for the public to visit Treasures of Early Irish Art at the Museum of Fine Arts is: Sunday, Jan. 21.

Mrs. Barrett Chairman For Auction

Two area residents have been named to key roles in the 1979 Channel 2 Auction. According to Auction Manager Hamilton Osgood, Mrs. David Barrett of Andover, and Mrs. Eugene Harbilas of Haverhill, have been appointed Area Chairmen for the Lawrence-Haverhill areas.

Elaine Barrett and Jean Harbilas will coordinate the Go-Getting activities for the forthcoming Auction in Andover, Lawrence, Bradford, Haverhill, Georgetown, Groveland, Merrimac,

Methuen, North Andover and Plaistow.

The 1979 Channel 2 Auction will be held June 1-9, and has a goal of \$900,000. Last year's Auction grossed \$800,000 from the sale of more than 10,000 donated products and services. The Auction is the major fund raising event for Boston's outstanding public broadcasting service station, WGBH.

Elaine Barrett and Jean Harbilas are now recruiting volunteers to serve as Go-Getters, calling on area merchants, shop owners, antique dealers, and residents for donations to the June Auction.

Mrs. Barrett has been an Area Chairman for four years. In addition to her Auction activities, she does volunteer work at the "Y," attends classes at Merrimack College, and is interested in interior and landscape decorating.

Flower Show Dates Set

Spring is closer than you think because the dates for a traditional New England spring event were announced today.

The 108th New England Spring Flower Show will be held Saturday, March 17, through Sunday, March 25, at Commonwealth Pier Exhibition Hall, 170 Northern Avenue, Boston, according to Mrs. Patricia Storey, president and acting executive director of the Massachusetts Horticultural Society, which sponsors the event.

This will be the third year the Horticultural Society has staged the flower show in the spacious Commonwealth Pier Exhibition Hall, located between Anthony's Pier 4 and Jimmy's Harborside restaurants, with easy access from Boston's Southeast Expressway and South Station, as well as from the North, and with acres of parking.

More than 150 garden and trade exhibitors participate in the show each year,

attracting thousands of New Englanders. This nine-day spring spectacle is the largest and longest running show of its kind in the country, according to Mrs. Storey.

Special advance sale tickets may be ordered by sending a check or money order along with a stamped, self-addressed envelop to: Flower Show Tickets, Massachusetts Horticultural Society, 300 Massachusetts Ave., Boston, MA 02115.

Information on special discount rates for groups and senior citizens is available by writing to the above address or by phoning the Society.

The 1979 Flower Show opens Saturday, March 17, at noon and will be open daily from 10 a.m. to 10 p.m. except Sundays, when it will close at 8 p.m.

The Massachusetts Horticultural Society is located at Horticultural Hall, 300 Massachusetts Ave., Boston, across from Symphony Hall.

OBITUARIES

CYNTHIA ANN WARD

Cynthia Ann (Symons) Ward, 33, 10 Carmel Road, Andover, a life-long resident, died Sunday at the Pentucket Nursing Home, Haverhill following a long illness.

Born in Lawrence, August 18, 1945, Mrs. Ward was educated in the Andover schools. She was a graduate of Andover High School Class of 1963. She was a member of the Unitarian Universalist Church.

Mrs. Ward is survived by her husband, George E. Ward, Chief Electricians Mate, U.S. Navy, stationed in Mayport, Fla., and her step-mother, Mrs. Fred Symons of Andover.

Services will be held Thursday at 2 p.m. at the Frederick E. Allen and Son Funeral Home, Inc., 68 Park St., Andover. Burial will be in Elmwood Cemetery, Methuen.

Memorial contributions may be made to the Massachusetts Chapter, National Multiple Sclerosis Society, 460 Totten Pond Road, Waltham, Mass. 02154.

DOROTHY M. DENGLE

Dorothy M. (Buck) Dengler, 89, 5 Lincoln Circle died Saturday at the Academy Manor Nursing Home following a long illness.

Mrs. Dengler was born in Luebeck, Germany, January 16, 1889.

The Widow of Oskar E. Dengler, she is survived by a daughter, Annemarie, wife of Joseph Heinrich of Chicago, Ill.; a son, Claus O. Dengler of Andover; three grandchildren, Anne, wife of Bert Cowan of Shaker Heights, Ohio, Claudia Dengler and Thomas Dengler of Andover and two great-grandchildren.

Funeral services will be private. Cremation will take place at Harmony Grove Cemetery, Salem.

There are no calling hours. Funeral arrangements are under the direction of the Lungren Funeral Home, Inc., 18 Elm Street.

Memorial contributions may be made to Immigrant City Archives, Inc., 38 Lawrence St., Lawrence.

NAN LAMBERT

Mrs. Nan (Sellars) Lambert, 78, 13 Brook St., died Friday at home following a short illness.

A graduate of Andover schools, she was formerly employed at the State Street Bank and Trust Co., in Boston and was retired from Ivest Inc., Boston, where she worked in the mutual funds department. She attended Christ Episcopal Church, Andover.

She is survived by her husband, John F. Lambert, and several nieces and nephews.

Funeral services were held Monday at 11 a.m. in Christ Episcopal church. Burial was in Spring Grove cemetery.

Havdallah

The Lawrence - Andover AZA and B'nai B'rith Girls' chapters of the B'nai B'rith Youth Organization will sponsor a community wide Havdallah service and Game Night for Jewish Teens and parents. This membership program will take place Saturday evening Jan. 20, 7:30 p.m. at the Lawrence Jewish Community Center, 580 Haverhill St.

Welcome to our last fire sale.

To a businessman, fire is a devastating experience. Most businesses suffering a major fire don't survive more than a year afterwards. Generally the company is paid for the fire damage, but the rebuilding or relocation expense can be fatal. May we suggest the following: BUSINESS INTERRUPTION INSURANCE, to pay for lost income while your company rebuilds. EXTRA EXPENSE INSURANCE to pay the other heavy expenses incurred in carrying on the business. We would welcome the opportunity to discuss your Fire Insurance coverage with you.

Lecture At Center

On Sunday Jan. 21 at 7:30 p.m., a lecture entitled "Why Believe" with Rev. James Haddad will be presented at the Christian Formation Center, River Road, Andover. Rev. Haddad has a Doctorate in Sacred Theology from Maynooth, Ireland. He is presently pastor of Saint Eulalia Church in Winchester. Father Haddad has served as director of the Pastoral Institute of the Archdiocese of Boston and as academic advisor for permanent deacons.

This is the first of the Sunday evening lectures for 1979 being offered at the Christian Formation Center. For further information on this or any of the upcoming programs contact the center.

Special Bus For Symphony

On the Fridays of Symphony concerts, a
special bus runs from Andover to Boston,
chartered by the Andover-North Andover
Friends of the Boston Symphony
Orchestra.

Anyone interested in going to Boston on
those Fridays may ride on the bus which is

mainly supported by subscribers. Single
round trips cost \$4.50.

The bus leaves promptly at 10 a.m. from
the corner of Salem and Main Streets, op-
posite the Phillips Academy Bell Tower.
Several stops are made on arrival in the
city: 1. Arlington Street near Boylston
Street 2. Prudential Center 3. Symphony
Hall 4. Museum of Fine Arts.

For the return trip, the bus leaves from
Huntington Avenue near Symphony Hall
immediately after the concert and comes
directly to Andover.

Anyone who wishes further information
should contact Mrs. Hart Leavitt.

A distinguished Chinese artist of the
1920's, Huang Erh-nan, painted flowers
and butterflies on fine silk paper — with
his tongue.

"Now At The Times"

Robert Semple, foreign editor of the New York Times, addresses groups of students and visitors during panel discussion last Saturday as part of weekend centennial observance of "The Phillipian," weekly publication at Phillips Academy. Semple and other alumni now in the media, joined in the special programs noting the 100 years of continuous publication by the student newspaper.

Library Meeting For Gardeners

Interested in gardening and looking forward to spring? The Village Garden Club of Andover invites its members and all interested gardeners to the club's January meeting which is being held this evening at 7:30 p.m. at Memorial Hall Library.

Dorothy Sherrerd, library program director and past president of the Andover Garden Club, will speak on "New Ideas From New Books." How can the library help the gardener? What are the newest

books on gardening and where can they be found in the library? These and similar questions will be answered during the lecture.

Hostesses for the evening will be Marilyn Carriers, Betsy Greenwood, Sylvia Neistadt and Nina Anuff, chairman.

REAL ESTATE EXAM COURSE

A 10 week course, "Preparation for Real Estate Broker's Examination" will be conducted for men and women by the Essex County Adult Education Center at the Lawrence Y.M.C.A. beginning Wednesday, Jan. 24. Classes will meet weekly from 7:30 to 9:30 p.m. This course is a thorough prep for the broker's and salesmen's state examination. Hundreds of area men and women have successfully completed this course and obtained their broker's license. An experienced real estate broker and an attorney specializing in real estate law will conduct class lectures.

Registration is required and will be held prior to first class meeting Wed., Jan. 24 between 6:45 and 7:30 p.m. in Russell Hall at the Lawrence Y.M.C.A.

The Public Forum

Appreciative

To the Editor of the TOWNSMAN: The residents of Shawsheen Village can now look forward to the day that the water flowing from their taps will be clean and pure. The Town, its officials and voters have taken the necessary action to permanently correct this serious situation.

We, The Friends of Shawsheen Neighborhood Association, commend the Andover Townsman for the manner in which your newspaper informed the Town of the scope and severity of the Shawsheen water problem.

In addition, your editorial support of the efforts of the Town officials and neighborhood residents undoubtedly helped secure the passage of the Water Main Warrant Article at the October, 1978 Town Meeting.

On behalf of all our members, I offer you our sincerest appreciation for a job well done.

Philip Salamone, President
The Friends of Shawsheen
Neighborhood Association

Thanks!

To the Editor of the TOWNSMAN:

On behalf of the Greater Lawrence Chapter of Friends of the New England Home for Little Wanderers, I would like to thank the people of the Merrimack Valley for being so generous to our "Little Red House" campaign during our recent Holiday season.

We are most grateful to the stores and other businesses that have allowed us to place the Little Red Houses with them and to the people who supported them with donations. It added up to a substantial contribution to the New England Home.

The money collected is used to defray the cost of Holiday gifts that were purchased for the children in the care of the Home. If there is any extra money after these bills are taken care of, the youngsters may enjoy an added treat such as ski or camping trips on school vacation, or some other special outing these children may never have experienced without our help.

We thank one and all who have paused to drop a coin in one of our Little Red Houses.

Mrs. Joseph W. Lynch
Corresponding Secretary

Engine Tune-Up

Through normal wear and tear in cold weather, spark plugs, distributor caps, rotors, spark plug wires, etc., become less efficient and prone to failure. One early warning sign of the need for a tune-up is a drop in gas mileage.

QUALITY AND SERVICE OUR POLICY

Health Careers

Applications are now being accepted for the 8-month medical assistant program, and the operating room technician program in the School of Allied Health Occupations at the Essex Agricultural and Technical Institute. Applicants must be high school graduates, or hold the general equivalency diploma. Medical assistant applicants must have basic typing skills. The medical assistant is trained to per-

form her duties in three areas: office assistant, receptionist, and secretary.

An operating room technician is a paraprofessional worker who assists with patient care and related services in the operating room by performing as a member of the operating team, and by preparing supplies for use in surgery.

Applications and complete details for the September 1977 class should be submitted to: Allied Health Admissions, Essex Agricultural and Technical Institute, Hathorne, Mass. 01937.

JANUARY 18, 1979

Conference Portends No Fun And Games

The Community Services Committee (CSC) has been invited to meet with selectmen a week from Monday to discuss possible reconstruction of the Lodge of Recreation Park.

But the board should anticipate anything but a red carpet treatment, judging from comments of the board this week, particularly Selectman Virginia Cole.

Mrs. Cole told her colleagues she had very negative feelings about the committee based on visits to two recent meetings. She said she was displeased with the proceedings on both occasions and described the committee as being adversary in response to citizens groups and town boards.

Mrs. Cole is liaison person between selectmen and community services committee.

The department came up during Monday night's meeting when Selectman James Abramson asked Town Manager Jared S. A. Clark about the appointment of a director for the department. Joan Pearson has been serving as acting director for 18 months since the resignation of Gary Ralph. Clark said he would be advising Mrs. Pearson before the end of January as to whether she would be made the permanent director.

Earlier in the session, selectmen had discussed the matter of replacement of Rec Lodge, destroyed by fire last summer. It was decided to discuss the matter with the community services board at its meeting on Jan. 29.

Selectman Virginia Cole
Feeling Negative

As for the board itself, it could be judged that at least three members do not hold it high regard.

Mrs. Cole said that her impression at the two meetings she attended was that "it is a committee with problems."

Mrs. Cole said the committee appeared anti-citizens of the town, anti-soccer people and anti-little league people, when they appeared before the CSC. "They also appeared adversary to the town manager and probably are to the selectmen, but we were probably saved by my presence."

Voters at town meeting may be asked to approve the sale of the Cardinal Cushing Gymnasium on Haverhill street, a building acquired with Sacred Heart fields and initially proposed for recreational use.

Town Manager Jared S.A. Clark is recommending sale of the building to the Andover Companies, Inc., the Shawsheen-based insurance company, which would use the facility for storage and light office work.

Friends of the Shawsheen Neighborhood Association would prefer the town "buy time," and possibly negotiate a long-term lease for the building, rather than outright

sale, according to Philip J. Salamone, president.

Community Services department also would not like to see the facility sold, but rather a short term lease exercised, if anything.

But, Town Manager Clark feels that cost of repair of the building plus upkeep would represent an added expense to the town. He also feels that funds from sale of the building, coupled with insurance settlement from the fire which destroyed Rec Park lodge last summer could be combined to rebuild the facility at Recreation Park.

Also, Clark advised selectmen Monday night, a deed, through sale of the building, could contain provisions restricting use of the Shawsheen facility more effectively than zoning regulations.

Clark said he was not opposed to a long term lease. He indicated that if Andover Companies was interested in such agreement, which would include their making repairs, it would definitely have to be for more than a ten-year period.

The manager estimates that at least \$15,000 would have to be spent on repair of the roof. Annual maintenance costs would further add to the costs to be incurred by the town, if it were to be utilized as a municipal facility.

He also said that the proposed use would be in keeping with the character of the neighborhood. There would be no more than ten employees there, thus not adding to traffic or parking problems. It would also be a quiet operation.

Used as a recreational facility there would be noise, traffic and parking considerations.

Salamone, speaking for the Shawsheen group, said it was the general feeling there that the town should not sell the building. He advised that citizen action urged the purchase of Sacred Heart fields and the building, and sufficient time had not elapsed to fully evaluate the potential of the overall parcel, including the building.

He noted that through the efforts of his group, the motor mart now represents the only commercial venture on that side of the village, which solidified the residential aspect of that area of Shawsheen. Sale of the building for use as office or storage would be a reversal of that trend, Salamone felt.

Also noted by Salamone was the fact that area residents had received notification this week from the Department of the Interior that the Shawsheen district has been nominated for inclusion in the government's list of historic districts. As such, if it is so designated, the alteration or use of the building would be affected.

Since the property was acquired through town meeting vote, Clark said the voters would have to be asked for permission to sell the building, thus its inclusion in the warrant for the annual town meeting in April.

Fee Hike Suggested

An increase in license fees could almost make the town clerk's department self-sustaining, the town manager has informed selectmen.

An increase in the fees for issuance of permits for storage of flammable liquids will be presented to town meeting for approval in April.

Increasing the fees on liquor licenses to the statutory limit, would further increase revenues in the town clerk's department.

A projected result from the increased fees is \$24,000 Town Manager Jared S. A. Clark said this week. This would leave a balance of about \$15,000 to be picked up by the town for the department's operation.

\$300,000 To Be Asked Of Town Meeting

Town meeting will be asked to appropriate about \$300,000 for special articles this year, according to the list of items drawn up by Town Manager Jared S. A. Clark and submitted to selectmen for consideration this week.

The total appropriation would be \$200,000 less than requested a year ago.

Contained in the list are articles for which bonding will be asked, thus not reflecting a total cost of the particular item on this year's tax rate consideration.

The items being considered include:

- The acquisition of property from Cyr situated behind the Texaco station and the Theater Building.
- An appropriation of \$1.25 million in bonding for construction of a new water main extending from Osgood Street at Raytheon

to Woburn Street at the back entrance to Rec/Park.

- Appropriation of \$200,000 for market/regression analysis revaluation.

- Advisory article on the consolidation of budget line items.

- Advisory article on the sale of the Cardinal Cushing gymnasium.

- Construction of playing fields.
- Commuter rail service.
- Solid Waste Disposal.

- Sale of Sacred Heart Gym.
- Designation of Conservation area at Sacred Heart.

- School renovations and construction advisory articles.

- Reconstruction of Rec/Park Lodge.

- Energy conservation building improvements to municipal buildings — \$75,000.

- \$15,000 appropriation to develop preliminary plans for a Ballardvale Fire Station.

- Sidewalk betterments to Bancroft School area.

- Lucerne Drive sewer construction.

- Fishbrook acquisitions on the easterly side — 100 acres.

- Fishbrook acquisitions on the westerly side — 76 acres.

- Bateson Drive acceptance.

- Bylaw regulating home burglar alarms.

- Increasing fees on the storage of flammable liquids.

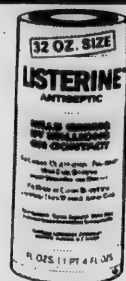

- Advise to legislators a) Elderly Tax exemption.

No More Dancing At The Crystal

At the moment, it would appear that the town may sell the Cardinal Cushing gymnasium on Haverhill street, which might not be the worst idea in the world.

In its lifespan, the building as been both a recreational and business facility.

Now in town ownership through acquisition of Sacred Heart properties by town meeting direction a few years ago, the building will require repair at an estimate of \$15,000, plus annual maintenance through taxpayer contribution.

The Andover Companies has expressed an interest in acquiring the building for storage and some light office work, which will not basically alter the use of the building with regard to increased traffic in the area.

Town Manager Jared S.A. Clark has recommended sale of the building. Friends of Shawsheen would prefer a long term lease arrangement at best. The selectmen are reserving their decision for a while.

Sale or lease of the building stands to reason for a couple of reasons. First, municipalities really should not be landlords. Even though the facility may provide some value to the recreational-minded, the town would still be saddled with the expense of repairs initially, then up-keep.

Second, the Andover Companies, a long established insurance firm, has consistently been a good neighbor and corporate resident of Andover. In addition to its substantial contribution to the town in the form of taxes, plus employment, the firm over the years has quietly assisted the town in many ways, both at the governmental and civic level.

In the Shawsheen "dream village" days of William M. Wood, the Haverhill street building had a particular place.

Remembered by many as the Crystal Ballroom, it was a mecca for young and old when dancing close was in vogue, gyrating was taboo, and eardrums were not

shattered by amplified guitars, but soothed by smooth, danceable sounds of such as the Roland Russell band.

But those days are gone and there will be no more dancing at the Crystal.

In the 50's and 60's, Raytheon converted the building to office use.

When that activity ceased, Raytheon gave the building to Sacred Heart which converted it to gymnasium use.

When Sacred Heart vacated the village as a preparatory school for boys, the building became vacant.

Even while the town was attempting to acquire the Sacred Heart fields as part of a package plan a few years ago, the gymnasium building still remained an optional part of the bargain. When a day-care facility found it could not use the building, it then became a part of the total Sacred Heart package to be offered the town.

We can appreciate the concerns of the neighbors in Shawsheen over proposed use of the building, even to the point of protecting it as a possible recreational facility at some future date.

But, as a recreational building, it would increase parking and noise problems in the neighborhood. Sale of the building would provide funds which would be applied toward reconstruction of the Lodge at Rec Park, which burned last summer. Rec Park offers a more suitable site for such a facility to accomodate a meeting place for small gatherings or meetings.

Doubtless there will be considerable discussion on the merits of the sale of the building before it ultimately reaches town meeting floor.

But, given the present circumstances, the potential occupant and use, sale, or at least long term lease, seems in the best interests.

Commendable Service

Regretably recorded this week is the intended resignation of Mrs. Margaret Keck as a member of the Andover Planning Board.

While her thoughts as to length of service a person should serve on a municipal board are acceptable reason, we look upon her retirement from the planning activities of the town as a loss.

Mrs. Keck has been a member of the planning board for 12 years.

If one were to total the hours she has spent in carrying out her duties, the figure would probably be startling. In addition to regular meetings of the board, Peggy has spent countless hours pursuing various activities within the province of the building and planning department.

The only compensation received has been the satisfaction of working toward what she has felt to be the best for the town.

An initiator of a central business district advisory committee, Mrs. Keck has been instrumental in developing guidelines for altering of buildings within the downtown area.

Peggy also worked on developing a parking area for bus commuters, in an effort to improve downtown parking availability.

As a member of the planning board, she has never shied from controversy and has on occasion been the single voice on a particular decision, which has proven to be a valuable service to her colleagues and Andover.

Recreation area and conservation zone planning has also occupied a considerable amount of her time over the years.

In summary, her service has been commendable and a valuable asset to a community which has continued to face up to the problems of continuing growth.

For Those Of Us Who Are Older

By Janet D. Lake

The regular monthly meeting of The Haven Associates will be held this afternoon, Jan. 18, at 2 p.m. Everyone who uses The Haven is eligible to attend and is invited.

The regular monthly meeting of the Council on Aging will be held at The Haven Jan. 23 at 9:30 a.m. As with all town boards and commissions, the meeting is open to the public.

Thursday afternoon, Jan. 25, Dan Tremby of the Andover Board of Health will speak at The Haven on "Taiwan Today: Public Health and Sanitation in Southeast Asia." Mr. Tremby spent several years in Taiwan and Southeast Asia and in the light of recent developments in that part of the world, his talk is particularly timely.

The Haven has arranged to participate in the Loeb Theater programs and will

have tickets and transportation to a series of performances at the theater. The first is Jan. 30 with Estelle Parsons starring in "Miss Margarida's Way." Stop by The Haven to let them know if you'd like to attend. The cost for the performance and transportation into Cambridge is \$9.

Have an elegant lunch in an elegant place by joining the group from The Haven Feb. 8 when they journey to the New England Center at the University of New Hampshire. The group will leave The Haven at 11 a.m. and return about 3 p.m. The total cost is \$9. Make your reservation today.

The Haven has arranged for a trip to the Ice Follies Feb. 21st. It will cost about \$10 for choice seats and transportation to Boston. This is always a favorite event, so sign up soon.

Come one, come all to the "45's" Tournament at The Haven, Feb. 1 at 1 p.m. Find out who is the best "45's" player in Andover. Are you one? Is the best a woman? Is the best a man? Sign up by Jan. 30 to participate in this great event! Be at The Haven as the tension mounts and be there to cheer the victor — Thursday, Feb.

1 at 1 p.m.

You are reminded that registration for classes to be held at The Haven is Monday, Jan. 22, all day. If you can't get in to register, you may register by telephoning The Haven that day. (475-3968 or 475-4165)

Andover School Calendar

Jan. 19 — Doherty PTO Skating Party
Jan. 22 — Doherty PTO Board Meeting, 7 p.m.

Jan. 27 — South School PTO Soiree-Dinner Dance

Jan. 31 — Doherty School Fathers' Breakfast

Feb. 8 and 9 — East Jr. High School Play
March 6 — Sanborn School Parent/Teacher Annual Volleyball Game

Genealogy

A Work Shop will feature the Essex County Chapter of the Massachusetts Society of Genealogists at the Saturday, Jan. 20 meeting at 1 p.m. at the Lynnfield Library. Coffee and tea will be available.

The highlight of the afternoon program will be a talk by Mrs. Marcia Wiswall, past president of the chapter, and director of the Lynnfield Library. Mrs. Wiswall will speak on the new genealogy books available at the Library.

JACK ANDERSON WITH JOE SPEAR WEEKLY SPECIAL

An Aggravation Index Rates the Bureaucrats

WASHINGTON — Under our Constitution, the people are the sovereigns and the bureaucrats are supposed to be the servants. But in many federal agencies, the bureaucrats have turned the Constitution around. They behave as if they were the sovereigns.

The experiences of everyday citizens who deal with the bureaucracy are often exasperating. Increasingly, the governed are not giving their consent. Rather, they are throwing up their hands in disgust over the complex forms, endless runarounds and unresponsive answers they get from the government.

We receive hundreds of complaints every week from citizens who have found themselves stuck in the bureaucracy's flypaper. From these complaints, we have compiled a list of agencies that seem to be the most obstructive and obnoxious. You might call it a "Federal Aggravation Index."

The agency with the highest aggravation rating appears to be the Veterans Administration. Its employees are paid to help veterans, yet they often treat veterans like dirt. The agency also seems to be hopelessly ensnared in the spiderweb of red tape.

No. 2 on the aggravation index is the Postal Service. Thousands of people have complained to us about paying higher postage rates for poorer service.

The Social Security Administration registers

third on the aggravation index. We have received hundreds of complaints about red tape and rudeness. One woman in her 80s couldn't cash her Social Security check for months because it was made out to her late husband. She finally died of malnutrition.

Here are the other agencies with high aggravation ratings: The Medicare office, the Office of Workmen's Compensation, the Occupational Safety and Health Administration, the Internal Revenue Service, the Small Business Administration, the Housing and Urban Development Department and the Agriculture Department.

In all these agencies, the story is the same: rudeness, harassment, too many forms, unnecessary paperwork, overregulation.

Readers can help in our quixotic crusade to take the aggravation out of government by telling us which agencies give them a bad time. Write to Jack Anderson, Box 2300, Washington, D.C. 20013.

Corporate Campaign: One federal agency in particular has tried to keep a finger in the dike against the rising tide of government waste. It is the Renegotiation Board, which monitors excess profits in defense contracts.

The big contractors, of course, don't want their profits trimmed. Through the Chamber of Commerce, they drafted battle plans for putting the Renegotiation Board out of business.

ness.

The plans called for letters to Senate and House members to influence their votes. As a result, Congress was hit by letters from some of the most powerful corporations in the country, including Bendix, Boeing, Hewlett-Packard, Honeywell, Litton, Standard Oil of California, Tenneco, TRW, U.S. Gypsum, U.S. Steel and Upjohn. Some of these contractors have overcharged the government millions.

The Renegotiation Board has managed to squeeze some of the inflated profits out of military contracts. Over the years, it has saved the taxpayers billions.

But, meanwhile, the corporate pressure has had its effect. Congress has quietly cut off funds for the Renegotiation Board. It will go out of business on March 31.

Ticket Scam: Football fans who are flying to Miami next Sunday for the Super Bowl should be warned: They could get ripped off by unscrupulous ticket scalpers.

Many fans are shelling out hundreds of dollars for charter flights to Miami for the Super Bowl game. Most of the charter flights are package deals, which are supposed to include tickets to the game. Therein lies the problem.

Last year, for example, almost 500 New York football enthusiasts plunked down \$400 apiece for one of the package deals. It was supposed to include tick-

ets. But the unhappy fans wound up watching the big game from the lobby of a nearby motel.

Sources at the Civil Aeronautics Board have alerted us to the scam. The travel agents who sell the package deals may not be to blame, said our sources. They get short-changed by greedy ticket brokers who promise tickets they cannot deliver. The tickets intended for the visiting fans are scalped instead at highly inflated prices.

The innocent travel agents are often caught in the middle. They have to scramble like Roger Staubach to find the promised tickets. Before last year's game, one Philadelphia agent had to pay over \$70,000 to get enough tickets to satisfy his commitments.

Football fans planning to go to the game should ask to see copies of the agreements which promise the tickets.

Headlines and Footnotes: Laws reforming the Civil Service have eliminated a traditional source of patronage for congressmen. Census-takers, who used to be named by the lawmakers, are now under the purview and protection of Uncle Sam. At the government's Lawrence Livermore Laboratory in California, nuclear test shots are named after cheeses. There have been explosions, for example, named Tybo, Edam and Camembert.

**Your
Hair
Today**

by Lou Durazzano

Use of a good mirror is an important part of beauty care. Applying make-up with a poor mirror, such as a bathroom mirror, can be very deceptive. It can give a very inadequate picture of what your face really looks like. When applying make-up, either sit near a window or use a special make-up mirror with a daylight light control. The mirror should be magnified on one side to give a full view of your face. At night, use incandescent rather than fluorescent light for applying make-up.

At SUPER CUT HAIR SALON, 93 Main St., 475-3711 we are very proud of our beauty experts and invite you to bring your particular problems to us whether they involve your skin or your hair. We carry the complete lines of Redken, Jhirmach and KMS products the leaders in today's world of beauty. We operate an unisex salon where men, women and children are treated royally. Hours: Mon. - Sat. 9-5, Thurs. and Fri. til 7.

HELPFUL HINT:
Magnified make-up mirrors can show how your make-up looks in relation to your hairstyle.

Fire Log

The Andover Fire Department responded to the following alarms between Jan. 9 and Jan. 15:
Jan. 9 — Dundee Park, G. Sheehy, trash fire; off Salem St., Phillips Academy, chair fire.
Jan. 10 — 9 Andover St., Andover Historical Socie-

ty, honest mistake; Railroad St., Converse Rubber Co., accidental alarm; River Road, Vocational School, accidental alarm; 10 Cross St., L. Martin, oven fire; 94 Poor St., D. Harding, chimney fire.

Jan. 11 — Woburn St., Mifflin Construction, trash fire; 21 Foster Cir., S. Preston, chimney fire.

Jan. 12 — 15 Stevens St., Wood Ayer Realty, frozen sprinkler pipe; 3 Amherst Road, T. Moreau, chimney fire; Woburn St., K. O'Leary, car fire.

Jan. 13 — 48 Prospect Road, C. Richmond, building fire.

Jan. 14 — 50 Whittier St., B. Brown, boiler malfunction;

Warrior Cagers Extend Streak

By Jess Parks

The Andover High Warriors continued their unbeaten season effort last week as they defeated their two toughest M.V.C. adversaries: Lawrence 71-62, and Chelmsford 76-55.

The warriors gouged out an 11 point victory in what has been called the toughest place to win in the M.V.C. — Lawrence's Kain Gym, commonly referred to as "The Pit."

The game started as a close match — the Warriors could not contain Lawrence's Sam Johnson, whose hot hand delivered four times for eight of the Lancer's 12 first-quarter points. At the same time Rip Williams was leading the Warrior's, whose multi-faceted offense managed to keep pace with the Lancers throughout the first quarter. Andover, however, missed three of four foul shots and thus trailed by one at the end of the period, 12-11.

The Warriors rectified their foul-shot problems in the next quarter — sinking 7 of 7 to bolster a sound, second-quarter, offensive display. Tom Curtin, the all-important point guard, led the Warriors with his drives and quick passes. Curtin scored seven points for the quarter, and set up many of his teammate Todd Orlando's seven points.

Meanwhile Andover's defense put the skids on the Lancer attack, holding Lawrence to a mere 10 points for the quarter. Even more importantly, Lawrence managed to obtain only two foul shots for the entire half, and did not benefit from a single one-and-one situation. The Warriors led at the half 30-22.

The third quarter was a find display of a run and gun, fast break type of attack. The two teams raced up and down the court, wasting no time in their respective offensive set-ups. The two teams combined for

40 points (each team having 20), a high mark for any single quarter played by the Warriors. Thus for this year, Andover was totally successful in destroying Lawrence's full court press, and Dave Nardone seemed to be at the end of each press-break. The junior forward tallied 10 points for the quarter — his total game production. Lawrence meanwhile, benefited from some pretty outside shooting from Chris Fleming (12 points), Tom Quinlan (12 points) and Sam Johnson (21 points), that helped keep them even with the Warriors.

The fourth quarter brought a return to the foul line for both teams, with Andover's Tom Curtin (19 points) throwing in some clutch freebies during a 6 for 8 performance. Todd Orlando (17 points) added four more points, and Senior forward Jim Arnold (16 points) staged a backboard blitz both offensively and defensively as he scored 8 points for the quarter. Although Lawrence managed to close the Andover lead to six points, they exhausted themselves in the effort and soon fell back again to the final margin of 11 points. Chris Fleming was again impressive as he led his team with six fourth quarter points. However, Andover was able to shut off the primary Lancer point source — Sam Johnson — for the final quarter to insure their victory. The Lawrence senior was the game high scorer with 21 points.

Chelmsford was unbeaten upon entering Andover's Dunn Gymnasium, but they would leave as losers for the first time this year. The Warriors, led by a balanced

offensive attack which featured all five starters in double figures, overcome an eight-point first quarter deficit to stun Chelmsford by 21 points 76-55. Led by the outside shooting of Mark Maher (16 points) and Dave Nardone (14 points), the inside power of Jim Arnold (13 points) and Todd Orlando (13 points, 13 rebounds), and the splendid quickness of Tom Curtin (13 points), the Warriors defeated a tough Chelmsford team. Chelmsford was led by its talented guard Klesaris, who scored 18 points, including a powerful first-quarter shooting display.

Andover took the lead on a 25-10 second quarter blitz and did not relinquish it throughout the remainder of the game.

Pee Wee A's Still Hot

The Pee Wee A hockey team extended its unbeaten streak in league competition to six games with last week's 4-0 shutout victory over Stoneham. In a non-league encounter against league foe Chelsea, Andover came up with what was probably their best all around performances of the season in skating to a very impressive 7-1 victory on Chelsea's home rink. With these two victories, the Pee Wee's brought their overall season record to 15-17-2 through little more than half the campaign.

Andover 4, Stoneham 0

Andover registered their forth consecutive shutout in Danvers league competition in defeating Stoneham on Monday evening. Again, Mike Gibson and Steve McDowell split the goal tending duties. As the game got underway, it was apparent early that it would be a hard hitting penalty filled game. Consequently, when a total of 16 minutes in penalties were called, it was easy to understand why it was not a game spiced with the finer skills of passing forechecking and backchecking. Andover opened the scoring at 4:1 of the first period when Jon Crawford caught Stoneham in a line change and fed Zack Apgar for the only score of the period.

The second period produced three more goals. Apgar got his second tally set up by Jim Daly at the 7:18 mark. The third score was registered by Tom Marjerison when defenseman Fran Ferrara set him up at 6:50. Marjerison's shot came from 15 feet in front of the net. The fourth goal came on an unassisted score by Crawford at 4:39 of the period when he stole the puck at the red line and went in after faking the defense. Shortly after the last goal, Andover's penalty killing unit of Donovan, Marjerison and Ken Crawford successful-

ly killed a two-man disadvantage as Gibson and LoPresti each received minor penalties as a result of a pile-up in the Andover crease. There was no scoring in the third period as each team had three penalties and for the majority of the period, they were either on the power play or killing penalties.

Andover 7, Chelsea 1

On Tuesday evening, Andover turned in one of its best performances of the year. In this game, there was plenty of good passing, forechecking and backchecking. As a result, they were able to avenge an earlier 5-4 loss to the same Chelsea club. Tom Marjerison opened the scoring with an unassisted goal to begin the onslaught.

Billy Donovan scored the second and third goals with assists going to Bateson on the first tally and Bateson and John Crawford on the second. Jim Daly and John Marocco set up Apgar on the fourth Andover score. Daly and Apgar then turned around and set up Marocco on the fifth Andover goal. With a 5-0 lead, Andover let down slightly and Chelsea broke up the shutout with their only score of the game. Andover's final two goals of the night were both registered by Jon Crawford. Shaun Bateson and Billy Donovan assisted on both tallies.

Bantam "B" Team In Comeback

37

THE TOWNSMAN, JANUARY 18, 1979

After a violent shakedown cruise in the powerful Wilmington League early in September, where the team was white-washed 6-0, the team has made a great comeback.

The Bantam "B" hockey team has found its level at the Danvers Twin-Rings where it leads the Bantam B Division I league with a record of 8 wins, 4 losses and 1 tie.

The goalie squad of Chris Williams, Barry Moore and Brian Barry have been

against the Reading II club and by Frank DePiano against the Somerville II team.

A determined defense has been led by Tom Duncan, Tim Bennett and Tom Moon who have been assisted greatly by the play of two converted forwards, Dave Tiberii and Ken Banfield.

Andover 4, Stoneham II 6

Stoneham II gained revenge for an earlier setback by Andover on Saturday night. Playing this game with only nine skaters, Andover jumped to an early lead on Joe Germano's fifth goal of the season with an assist from Brian Curley. Stoneham answered quickly with two goals to close the first period leading 2-1. Bill Depper assisted by Mark Walsh tied the game only to see Stoneham go ahead again at the 8 minute mark. Eddie O'Connor's first goal of the season tied the game on an assist from Ken Banfield. Stoneham

went ahead for good in the third period with three straight goals. Excellent defensive play for Tom Duncan, Dave Tiberii and Tom Moon kept the Stoneham powerplay scoreless during five Andover penalties. In the true spirit of a "never say die" team, leading play-maker, Mark Walsh, in an exchange of perfect passes

with Bill Depper scored the final Andover goal with one second remaining in the game. Goal tending was divided evenly by Barry Moore and Brian Barry.

The next game will be Andover vs. Marblehead at Danvers Saturday, Jan. 20.

Coaches are Charlie Donovan, LouLoPresti and Al Bennett.

Bantam "B" Scoring

	Gls.	Ass.	Pts.
Frank DePiano	12	4	16
Mark Walsh	7	8	15
Brian Curley	9	5	14
Chris O'Reilly	8	5	13
Robbie Calder	10	2	12
Joe Germano	5	5	10
Tom Maginnis	3	6	9
Bill Depper	3	5	8
Ken Banfield	2	4	6
Tom Duncan	1	4	5
Tim Bennet	1	4	5
David Tiberii	0	5	5
Paul Hunt	1	3	4
Ed O'Connor	1	2	3
Michael Walsh	1	2	3
Tom Moon	0	1	1
Georges Krivobok	1	0	1
Eric Ziady	1	0	1

the backbone of this club. Brian Barry with four and one-half consecutive periods of shutout hockey has been the steadiest goalie to date.

Leading the offense has been the line of DePiano, Germano and Curley with 40 points, followed by Calder, Walsh and Maginnis with 36 points and Hunt, O'Reilly and Depper with 25 points. Three goal, hat tricks have been scored by Brian Curley

Weather Grounds Skiers

With the weatherman still not cooperating the Andover Buddy Werner ski racers are still looking for their first race of the 1979 ski season. No snow conditions forced the postponement of Sunday's race against the Waltham ski team at Waltham.

Plans are now set to open the race season with Andover facing off against the Bradford skiers at the Bradford Ski Area in Bradford on Sunday, Jan. 21. This is a race rescheduled from Jan. 1. The starting time for the race will be 9 a.m. sharp. All racers should be at the hill by 8 a.m. at the Bradford Ski Area.

In the event of no snow conditions, parents will be advised on any changes.

Squash

Askutasquash, a Massachusetts Indian word meaning uncooked or eaten raw, became our name for squash. Pumpkin derives from an old French word, pom-pion, meaning, eaten when ripe, Massachusetts Audubon tells us.

Local Girls Lead P.A. To Victory

Last Wednesday, Jan. 10, the Phillips Academy Girls' Varsity Swimming Team beat the Harvard University "B" Team in an exceptionally close meet. As the first five places in each individual event score points, everyone's effort was extremely important in achieving the final score of 85-84.

Although the P.A. Blue were behind after the 200 medley relay, the girls immediately set about rectifying the situation. Meghan Hannawalt and Luanne Bates, both of Andover, secured first and fourth places, respectively, in the 200 yard freestyle while Beth Pelc of Andover and Patti Doykos of Methuen earned first and third places respectively in the 200 yard individual medley. A strong effort by Linda Kent in the 50 yard freestyle clinched first place for her and also set the score at 31-31 before the diving.

Despite the fine performance of P.A.'s two divers and the first place finish in the 100 butterfly by Maria Elias, a girl from North Andover who broke the school record in this event with a time of 1:09.8 last December, the Crimson soon led the Blue with a score of 46-45. The pressure certainly mounted, but the Phillips Academy girls continued to meet the challenge. In the 100 freestyle, Pelc and Susan Elias grabbed third and fifth place, respectively, behind Beth Melaragno of North Carolina in Second place. Then in the 500 freestyle, Maria Elias broke her own school record with a time of 5:49.17 to snatch first place while Bates held third place.

The 100 backstroke event was dominated by Merrimack Valley swimmers as Hannawalt, Doykos, and Alison Smith of Andover took first, fourth, and fifth places from the Crimson. Excitement mounted as Linda Kent broke the school record of three years' standing in the 100 breaststroke with a time of 1:18.62.

With the 400 free relay the only event left, P.A. led Harvard 79-76. Facing Harvard's strong relay teams, the Blue had to nab second and third places in order to win. Hannawalt and Bates provided the core for one team, while Diane Perlowski of Andover and the two Elias girls formed the major part of the other team. The race was far too close for comfort, but when it was over, the Blue had beaten the Crimson by a score of 85-84.

By all accounts, it was an eventful day. Linda Kent and Maria Elias both broke school records with outstanding performances. Equally important was the solid effort of each and every member of the team with the single points earned here and there.

America's 46 million homeowners spend over a billion dollars a year on plumbing improvements and repairs.

A place that reflects the growing awareness that the foods from the past, unharmed and unaltered, will be the foods of the future.

Award Swift Plaque

Athletic Director Richard Swift was awarded a plaque Tuesday night, for his part in Andover winning the Boston Globe's Dalton Award for Division II schools.

Supt. Kenneth R. Seifert, in making the presentation, said Andover received the award for excelling "across the board" in both boys and girls competition last year. Andover had the highest percentage of wins, in total high school sport competition in its class.

"It's for sure," Seifert said, that Swift is "not the

kind of individual who emphasizes winning, but rather good effort and good sportsmanship."

He said he was very proud that Swift had come from the classroom to take over as athletic director so successfully.

Swift in turn credited "a sound physical education program." He said the staff and coaches have encouraged youths to play a variety of sports for both skill and enjoyment, and that there has been tremendous cooperation "to strive for what's best."

St. Robert's Widens Lead

St. Robert's has widened its lead to two full games in the Senior Division of the Andover Church Basketball League, remaining undefeated (6-0) in recent action while principal challenger West Parish split a pair of games and fell to a second place tie with Christ Church.

St. Roberts, 54-19

Mike Leary and Bud Budrewicz poured through 20 points apiece as St. Robert's manhandled Ballardvale United, 54-19.

Leary had 10 points and Budrewicz eight in the second quarter, when freshman Coach Alex Burkus' crew broke the game wide open.

Tom Palma added 5 points, John Barry 4, Mike Murphy 3 and Jeff Vecchi two for the divisional leaders.

Steve Todd canned 6 points, Dave Suter and Gary Forbes 4 each, Rod Hollenbeck 3 and Art Dunlavy 2.

West Parish, 33-23

Mark Easton's outside shooting in the second half led West Parish to its 10-point triumph over St. Augustine A.

Easton finished with 10 points, all in the last two quarters including four in the final stanza when a 10-4 WP run put the game on ice.

Ben Bram chipped in 11 markers for West, Tom MacDonald swished 8 points, and Jon Bram collected 4.

Steve Johnson, Jay Robbins, Mike Morris and Jim Lowe were other WP standouts.

Connie Twomey was game-high marksman for St. Augustine A with 13 points, all in the first three periods.

Pat Beaudine chipped in 5 markers, Tim Bolduc 3 and Rich Sambuco 2.

Tom Tiberri, Mike Hobbs and Mike Beaudine were other stalwarts.

Christ Church, 73-16

Christ church, dominating both boards, grabbed a commanding 26-8 halftime lead before pouring through 47 second half points.

Mark Rogers powered the assault with 27 points, Eric Fredette netted 22, Mike Blair 12, Dave Menard 6, John Rogers 4 and Tom Stark 2 for the victors.

Greg Sheppard, Mark Connolly, Mark

Boyle, Pat Martin, Mark Perlowski, Pete Scanlon and Glen McAnally divided the scoring for the smaller St. Augustine B crew.

St. Robert's, 51-23

St. Robert's, clinging to a slim 19-16 halftime advantage, wore St. Augustine B down in the second half with its inside strength.

Bud Budrewicz led three St. Robert's players in double figures with 17 points, Mike Leary added 14 and John Barry worked his way underneath for five baskets and 11 points.

Tom Palma netted six points for the victors, Ken Saliba 2 and Barry Miller converted a fourth quarter free throw.

Mark Boyle and Greg Shepard pocketed 8 points apiece for St. Augustine B while Steve Farrington, Mark Connolly and Dan Donovan added single baskets.

Mark Perlowski swished a third period charity toss for St. Augustine B.

Joe Zemis, Terry Rourke and Pete Scanlon also played well for St. Augustine.

Christ Church, 52-26

Christ Church, again flexing its muscles off both boards, had too much firepower for an undermanned West Parish quintet.

Mark Rogers, Eric Fredette and Mike Blair did the job on the inside, popping through 17, 13 and 12 points respectively for C-C.

Dave Menard, a steading influence at guard, also chipped in 4 points along with

Ted McDonald.

Tom Stark completed the charge with a third quarter basket.

Ben Bram tossed through eight points for West, Jim Lowe added 4, Jay Robbins 3 and Steve Johnson 3 points.

Jeff Lindquist, Jon Bram, Rick Desmarais and J.R. Lindquist contributed two points apiece for West Parish.

Missing from the WP lineup were Mike Morris, Tom Kelly and high-scoring Tom MacDonald and Mark Easton.

St. Augustine A, 55-31

Big Tim Bolduc was the difference in this game, as Ballardvale United had no one that could compete with the St. Augustine A pivotman inside.

Bolduc, who did all his damage over the first three periods, finished with 22 points for the night.

Connie Twomey continued his fine play

In YMCA

Danald W. Peters of 107 Granville Lane, North Andover has become a member of the Boston Young Men's Christian Union, the downtown gymnasium-recreation center at 48 Boylston St.

The YMC Union offers a wide range of activities for its 1,500 members, including general gymnastics, volleyball, basketball, handball as well as training by professionals in jiu jitsu, karate, wrestling, boxing, boxing, weight lifting and in other programs.

of late, adding 13 points, while Pat Beaudine popped in 8, Rich Sambuco 4, Tom Bolduc 4, Paul Burke 2 and Mike Hobbs 2 points.

Steve Todd, a Senior rookie who displays excellent potential, was top gun for United with 17 points.

Gary Forbes flipped in 6, Chuck Burnett 4, Dave Souter 2 and Art Dunlavy 2.

Jim MacMillan and Frank Rissitto also played well for BU.

Two Teams Remain Undefeated

41 THE TOWNSMAN, JANUARY 18, 1979

West Parish A and St. Robert's B chalked up easy triumphs to continue unbeaten through the first four rounds of Andover Church Basketball League Intermediate "Gold" Division action.

West A, 23-6

Bill Weidman flipped in 8 points, while Chris Marcella and Andy Thompson added 6 apiece, boosting West Parish A to its convincing 23-6 victory over St. Augustine B.

West inched ahead 7-4 after one period and experienced little difficulty thereafter.

Chris Guay rounded out the winners' assault with 3 points, while Bill Lane played a strong defensive game.

Netting single baskets for St. Augustine B were Tim Riley, Rich Sullivan and Dan Beckerman.

St. Robert's B, 32-12

Dean Weaver powered a well-balanced St. Robert's B offense with eight points, as the co-leaders drilled St. Augustine C 32-12.

Dave Duhadway chipped in 7 points, all in the second half, while Bob Rikeman stuffed 4 points and dominated the boards.

Joe Puccia and Matt Chinchillo scored 4 points apiece, Bob Dziadosz 3 and Dick Smith had one bucket.

Jim Stelzner pocketed 7 points, Tom Lemieux 4 and John Geiger netted a free throw for St. Augustine C, which couldn't seem to penetrate the tough St. Robert's B

defense.

Jim Lombardo, Ron Peck and Rich Graham were other stalwarts in a losing cause.

St. Robert's A, 35-22

Todd Sleath reached a personal all-time scoring high, tossing through 16 points, as St. Robert's A squared its overall record with a 35-22 conquest of St. Augustine A.

Bobby Veilleux added 6 points, Mike Velia 4 including a long 25-foot bomb in

the third quarter, and Chris Fay 4 points.

Kevin Bryne and Brian Molloy swished fourth period baskets, and Eddie Melia contributed a single free throw.

Pedro Gleason led the answering fire for St. Augustine A, which stayed close until

the fourth period (25-19), as he collected 9 points.

Tom Lutz added 6 markers while Joe Dadiago, Matt Aumais and John Regan had single fieldgoals. John Morrow notched a free throw.

St. Roberts, Christ Pace Division

St. Robert's C and Christ B remained undefeated last week with their fourth straight Andover Church Basketball League Intermediate "Blue" Division victories.

St. Robert's C, 31-10

Neal Weaver tossed in 13 points as St. Robert's C built a big early lead and was never threatened by West Parish B.

Jay DuHadway chipped in 6 points, John Veilleux and Matt Dispensa 4 points apiece, Geoff Dowell one bucket and Jim Veilleux a basket for the winners.

Tom Dolan and Mike Sleath added strong games for St. Robert's, a relatively small but disciplined squad that passes extremely well to the open man.

West Parish B, having shown marked improvement since the beginning of the season, could not cope with St. Robert's quickness.

Netting single fieldgoals for WP were Kelly Strong, Rich Bourdelais, Robbie Barnard, Eric Nickerson and John Todd.

Christ Church B, 16-6

Steve Blair and Matt Leonard combined for 15 points, notching 9 and 6 respectively, as Christ B remained perfect with a 16-6 triumph over sister-club Christ C.

Jean Blair chipped in a second quarter free throw for the victors, and the only answering fire came from Marie Ferragamo, Cheryl Hough and Beau Jones with solo buckets for the C-crew.

St. Augustine E, 21-19

St. Augustine E, trailing by slim margins at the first three quarter breaks, rallied to nip Christ A behind the fourth quarter sharp-shooting of Matt Shine, Paul Sheedy and Sean Derrah.

Those three popped in the clutch fourth period hoops to pull out the victory.

Sheedy finished as game-high scorer with 11 points, Shine and Derrah added 4 apiece, and Kevin Walsh contributed a

third session basket.

Allen Gable countered with 8 points for Christ A, six of them in the opening stanza when the losers took a slim 10-9 lead.

Mark Asgerisson tossed in 6 points, Andy Cummings 2, Glenn Livermore 2 and Roger Fisk a fourth quarter free throw.

Ballardvale, 24-13

Jeff Crowninshield paced Ballardvale United to its first victory, outscoring the entire St. Robert's D squad with his 14-point effort.

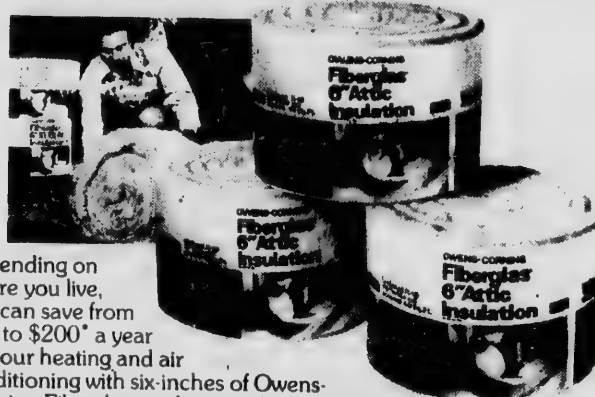

Crowninshield scored 12 of his points in the opening half, when BU constructed a comfortable 16-6 lead.

Dave Baker added 8 points and Tim Nolin had a third period basket for United.

Crusaders Continue Streak

Holy Cross continued its mastery of the Intermediate Division in the Andover Youth Basketball League, as the Crusaders trimmed Boston College 25-13 for their sixth straight victory last week.

Second place Harvard and third place Dartmouth also kept pace, one and two games behind respectively, as the Crimson dumped Villanova 26-15 and the Big Green drilled North Carolina State, 35-25.

**Holy Cross,
25-13**

Dean Weaver led Holy Cross, which broke the game open in the second quarter, as he tossed through 9 points.

Mike Coelho and Lisa Marcella added 4 points apiece for the Crusaders (6-0), while single baskets were notched by John Lahood, Rich Napolitano, Chris Comparato and Brian Sheehy.

Lahood and Sheehan also starred defensively, Joe Milora made several nice penetrating drives to the hoop, and Lisa Marcella had a strong rebounding game.

Dean Orfanedes dunked 5 points, Dean Lockwood 4, Chris Wilson 2 and Eddie Melia 2 for the Eagles.

**Harvard,
26-15**

Bill Weidman was the big gun for Harvard, which didn't really get its offense untracked until the final period, as he popped in 12 points to lead the win over Villanova.

Doug Lindquist contributed 5 points, Heidi Hunter 4, Mark Patti 3 and Tim Perry had a single bucket.

Bob Hunter and Pete Fernandes also played strong all-around games for the Crimson (5-1).

Tom Lutz keyed the counter-attack for Villanova with 8 points, Jim Stelzner swished 5 and John Terrion hooped a first period basket.

Brian Orlando and Matt Ostrowski also played well for the Wildcats.

**Dartmouth,
35-25**

Dartmouth fell behind upstart North Carolina State 14-6 after one period, and still trailed 15-10 at halftime.

However, Mark Doherty and Mark Nardone keyed a 14-6 third quarter explosion by Dartmouth that put the Indians ahead to stay.

Doherty then added five more and Nardone four in the final stanza.

Nardone, the divisional scoring leader, poured through a game-high 20 points, Doherty added 11, Mike Boush 2 and Nicole Marcella 2 points.

John Hopwood was tops for N.C. State with 11 points while Mike Morris, Mike Donlan and Chris Marcella notched 4 each. Dave Epstein contributed a first quarter basket.

Bernardin Named All-Star

A pair of Ithaca College juniors, forward Dan Bernardin of Andover, and fullback Don Handler, Rochester, N.Y., have been named to the 1978 ICAC All-Star Soccer Team. The team was selected by the head coaches of the seven member institutions.

Named on the second team was forward Kim Christianson (Ithaca), only a freshman at Ithaca College, while honorable mention recognition was given to sophomores Bob Durocher of Canton at mid-field and Bob Thompson of Penfield, N.Y., goalkeeper.

Bernardin, a left wing generally believed to be the team's hardest shooter, had four goals and one assist for the Bombers, and displayed great tenacity throughout the season. A native of Andover and a graduate of Tabor Academy, Bernardin proved a fine two-way player in '78.

He is a junior in Business Administration at Ithaca College, the son of Mr. and Mrs. Daniel Bernardin, Sr. of 22 Reservation Road.

Snow Flakes

A snow flake is a group of crystals that joined together as they fell. In very cold temperatures snow crystals remain separate and do not form a flake, according to Massachusetts Audubon.

Seastars Swim Past Quincy

43 THE TOWNSMAN, JANUARY 18, 1979

Triple winners Dan Paradis and J.B. Burgess led the Andover-North Andover Seastars to victory over the Quincy Y in a meet at Andover Saturday.

Paradis, swimming in Class C, won the 50 and 100 yd. freestyle events and anchored the winning medley relay.

Burgess took firsts in the 50 yd. freestyle, 25 yd. breaststroke and 100 yd. individual medley in Class E. Chris Marconi, also in Class E, took the 25 yd. freestyle and placed second in the 50 yd. freestyle and 25 yd. backstroke.

In a meet at the Cape Ann YMCA in Gloucester, Erica Sandler won the 25 yd. breaststroke and was second in the 25 yd. freestyle. Susan McGregor was third in the 25 yd. backstroke, Kate Robb finished third in the 25 yd. breaststroke and Alicia Policinski took third in the 50 yd. freestyle. The girls competed in Class E.

The Class D boys had Al Frizelle place first in the 100 yd. freestyle. Mark DeNitto was second in the 50 yd. backstroke as was Peter Sandler in the 50 yd. breaststroke. Brian Cronin took second in the 50 yd. butterfly and third in the 50 yd. breaststroke. Eric Loyall and Sean McCarthy added thirds in the 50 yd. freestyle and 50 yd. butterfly respectively.

The girls' Class D 200 yd. freestyle relay of Sarah Merrill, Linda DiPiano, Lynn McDonald and Amy Morton was victorious as was Carolyn Cronin who was a double winner. She took first honors in the 100 yd. freestyle and 100 yd. individual medley. Margaret Higgins took two seconds, in the 100 yd. individual medley and 50 yd. butterfly. Kara Hannon also finished in second place twice, in the 50 yd. freestyle and 50 yd. backstroke. Melissa Morton was second in the 50 yd. breaststroke and third in the 50 yd. freestyle.

Joining Paradis on the winning Class C medley relay were Locky McDonald, Dennis Sullivan and Matt Donahue. McDonald

also added two second in the 200 yd. individual medley and 50 yd. backstroke. Sullivan was second in the 50 yd. breaststroke and third in the 200 yd. individual medley. Donahue took third in the 50 yd. butterfly. Gregg Morava won the 200 yd. freestyle, was second in the 100 yd. freestyle and swam on the winning 200 yd. freestyle relay with Peter Gulezian, Mike DeNitto and Gerald O'Keefe. O'Keefe also took a third in the 50 yd. backstroke. Tom Murtagh placed second in the 50 yd. butterfly and third in the 200 yd. freestyle. Also adding third place points were David Maxwell in the 50 yd. breaststroke, and Grant VanAken in the 50 yd. freestyle.

Lulu Donahue won the 50 yd. freestyle and placed third in the 100 yd. freestyle for Andover in Class C. Scoring seconds for the Seastars were Jennifer Smith in the 50 yd. butterfly, Ann Marie Grogan in the 50 yd. backstroke and Karen McKay in the 50 yd. butterfly, Ann Marie Grogan in the 50 yd. backstroke and Karen McKay in the 50 yd. breaststroke. Third place points were earned by Smith in the 200 yd. freestyle, Mary Ann Ponti in the 200 yd. individual medley, Kate Inskeep in the 50 yd. freestyle, Abby Robb in the 50 yd. butterfly and Anne Costello in the 50 yd. breaststroke.

In Class B. John Hannon was first in the 200 yd. freestyle and took seconds in the 100 yd. freestyle and 100 yd. backstroke. Mike O'Keefe was second in the 50 yd. and third in the 100 and 200 yd. freestyle events. Tim Jennings placed third in the 100 yd. backstroke and 50 yd. freestyle.

Carol Robb and Betsy Wall took, firsts for Andover in Class B. Robb won the 500 yd. freestyle, placed second in the 200 yd. individual medley and third in the 100 yd. backstroke. Wall won the 50 yd. freestyle and was second in the 100 yd. backstroke. Andrea Matchett placed second twice, in the 500 yd. freestyle and 100 yd. freestyle. Julie Morton added third place points in the 100 yd. breaststroke.

Next Saturday the Seastar girls travel to Somerville while the boys' team is off.

Opossums

Opossums tolerate extreme temperatures and eat anything edible. They have no fixed home range (are not territorial) but prefer woods and water. During the past 200 years they have spread from the South throughout the U. S., according to Massachusetts Audubon.

Little League Registration

Little League Registration will take place Saturday, Feb. 10 at West Jr. High, 9:30 a.m. - 3:30 p.m. for the 9-Year-Old American and National Leagues and the new 13-Year-Old League.

The registration is for children between the ages of 9 and 13. All registrants will play.

Forms will be available at all schools and the Sport Shop.

Camping Show

NAFCA and N.E. Camping & Trailer Show have joined in sponsoring the 13th Annual N. E. Camping & Trailer Show at Commonwealth Pier Exhibition Hall, Jan. 20-28. The co-sponsorship of NAFCA and N.E. Camping & Trailer Show will mean the largest Camping & Trailer show of its kind ever held in the Northeastern United States.

In making the announcement, Sam Thoreson, Exec. Secy. of NAFCA, declared that by combining the NAFCA Show, which was previously held in Woburn, with the Pier Show into one gigantic industry endorsed show will bring the best of both shows to the Camping public and eliminate the confusion of the past.

Cole Landers and Mike Convey also played well for St. Robert's.

South-Baptist,
22-20

South-Baptist registered its third two-point victory in four games, outpointing St. Augustine D 8-2 in the final period to pull out a 22-20 decision.

Dave Hughes, with four markers in the pivotal last quarter, and Scott Lattanzio fired in 6 points apiece for S-B.

John Gardner added 4 points while Brian Finnerty, Bob Mattes and Malcolm Galvin delivered single buckets.

Chris Bartley scored 8 points for St. Augustine D, Scott McAllister 6, Nick Lembo 2, Tom Finneran 2 and Steve McGettrick 2.

Nationally we lost 1.25 million acres of cropland per year. Massachusetts has two-thirds less agricultural land than in 1935. Now, fourteen percent of the total land area is agricultural. Sixteen percent of Connecticut's land is agricultural. New Hampshire has lost 33 percent of its agricultural acreage since 1964; now, only five percent of its land is cropland, Massachusetts Audubon notes.

Senior A YBL Basketball

The standings for the Senior AYBL are:

	W-L
Lakers	3-0
Celtics	2-1
Hawks	2-1
Nets	1-2
Knicks	1-2
Kings	0-3

The top scorers after three games are:

	Points
Don Minor, Hawks	32
Mike Sherman, Lakers	24
Ben Bram, Celtics	24
Tim Corkery, Knicks	23
Joe Buzzett, Celtics	23
Dennis Glynn, Lakers	21
Mark Paradie, Celtics	21
Glenn Acciard, Lakers	20
Ted Liszewski, Lakers	20
Billy Vickers, Lakers	18
Mike Blair, Nets	18

Lakers 55, Knicks 22

Paced by a balanced scoring and rebounding attack the Lakers downed the game Knicks 55 to 22, posting the highest team total this season. Glenn Acciard, with 12 points, and Connie Twoomey and Ted Liszewski with 10 each led the Lakers. Tim Madden's 8 points and Bob Foley's 6 points led the Knick attack. Good D to Tom Powers, Tim Corkery and John Robbins of the Knicks and to Dennis Glynn and Billy Vickers of the Lakers.

Lakers: T. Liszewski 10, G. Acciard 12, C. Twoomey 10, D. Glynn 9, B. Vickers 8, C. Valcourt 2, M. Sherman 4.

Knicks: B. Foley 6, T. Corkery 2, B. French 2, T. Madden, 8, J. Robbins 2, T. Powders 2, J. Madden.

Celtics 28, Kings 10

The Celtics stormed to a 17 to 2 halftime lead led by Adam Wise and Mark Paradie with 9 points each. The Kings played consistent basketball holding the Celtics to just 28 points.

Good D To Jon Bram, John McLellan and Jim Lowe of the Celtics and to Art Dunlevy and Brandon Bachner of the Kings.

Celtics: J. Buzzett 2, A. Wise 9, B. Bram 6, M. Paradie 9, J. Bram 2, J. McLellan,

B. Foley, J. Lowe.

Kings: P. Caplan 2, E. Fredette, H. Meier 2, A. Donlavy, J. Barrett, M. Panteleo, D. Fredette 1, B. Bachner 2, M. Epstein, C. Frazette 3, R. Harrison.

Hawks 23, Nets 18

The Hawks scored 15 points in the third quarter to take a 9 point lead and survived an attack by the Nets in the final period to win. Don Minor of the Hawks with 12 points holds the league lead after three games while Dave Rossbach and Mike Blair scored 5 each for the Nets.

Good D to Scott Zimmerman and Steve LaCourse of the Nets and to Bob Curtin Pat Beaudine and Jeff and J.R. Lindquist.

Hawks: D. Minor 12, J. Lindquist 2, P. Beaudine 6, J.R. Lindquist, B. Curtin 3, E. Lowendowski, G. McAnern.

Nets: M. Blair 5, D. Rossbach 5, P. Puccia 4, M. Rosen, J. Dietzel, S. Zimmerman 2, S. LaCourse.

The next games are Monday, Jan. 22 at East Junior High gym as follows: Celtics

vs. Nets, 6 p.m.; Hawks vs. Lakers, 7 p.m.; Knicks vs. Kings, 8 p.m.

Pharoah Pepi II of Egypt reigned for 90 years.

Solar Tower

A solar tower 283 feet high and surrounded by 1,500 heliostats (mirrors) that track the sun during the day will be built in Barstow, California. Super-heated water in the tower creates steam that will pass through a turbine on the ground where there also will be an oil and rock thermal storage system, Massachusetts Audubon says. Ten megawatts of electricity will be generated, adequate for 2,500 houses.

The oldest existing town of the 13 original American colonies is Albany, N.Y., first reached by the French in 1540.

Donovan Sparks Squirts

The Squirt "A" Hockey Team, sparked by a pair of goals by Tim Donovan, solid goal tending shared by Greg Najjar and Robbie Carpentier and overall hustle by everyone — especially while killing penalties — shaded Neponset, 3-2 last week in Danvers.

Andover's Tim Donovan gave his hustling club a 2-1 second period lead with both goals coming only minutes apart. The first goal coming at 4:38 when Tim beat the Neponset netminder from the right side after being set up by defenseman Mosa Kaleel and linemate Earl Abdo. Tim's second goal came at 3:41, after taking a neat pass from Abdo, beating the goaltender again on the right side.

The Andover team played a bit more aggressively than did Neponset and it was effective. Andover had 5 penalties to Neponset's 2.

In the third period Neponset tied the game at the 11:33 mark. At 9:58 Andover saw duel penalties called against them when Mosa Kaleel and Brian Gibson were caught for tripping and interference. The Andover penalty killing units of Paul Gilmartin, Mark Neaves, Shannon McCabe, Steve Donovan, David Bartle, and Cort Pomeroy, stole the spotlight while Neponset had the 5 on 3 advantage.

Shortly after, with both teams even, Cort Pomeroy went in alone on the Neponset netminder and slammed home

the game winner. Andover gave Neponset one more chance to get even when Earl Abdo was called for tripping with a minute left to play. Again, Andover's hustle and tight play kept the game in the Neponset zone until the Buzzer sounded.

Testing

"Innovations in Non-Destructive Testing" was the topic of the January technical meeting jointly sponsored by the

Merrimack Valley Section of the American Society for Quality Control and the Merrimack Valley Chapter of the American Institute of Industrial Engineers. Nearly 50 members of the two groups attended the meeting at the Windsor Restaurant in Dracut, Mass.

The speaker, Charles J. Hellier, is president of the Nondestructive Testing Engineering Division of the Hartford Steam Boiler Inspection and Insurance Company.

Bantam A Team 1-2 For Week

The Andover Bantam "A" Hockey team won one game while losing two during this past week. Andover's overall record now stands at 7-18-0 for the season.

South Boston 6, Andover 3

On Tuesday Andover dropped a 6-3 decision to South Boston in a Wilmington League game.

South Boston took an early lead scoring twice in the first three minutes of the game. A short-handed goal at 7:43 of the second period gave Southie a 3-0 advantage.

Finally, Andover found the range on the powerplay at 8:20 of the middle stanza. Center Rick Apgar took a pass from John Best and steered home his sixth goal of the season to bring the score to 3-1. Tim Derby also assisted on this goal.

South Boston regained the three-goal margin at 1:55 of the third period but this was answered by Apgar's second of the game and seventh of the season at 2:40, again assisted by Best.

South Boston then struck twice at 4:52 and 5:31 to make the score 6-2.

Andover's final score came at 7:30 on a powerplay. Defenseman Derby made a fine rush and fired home a backhand from 10 feet for his first of the season.

Home Show

A home furniture fashion show with an international flavor will be one of the many features at the 29th edition of the country's largest home products and service showcase... the New England Home Show at the Hynes Veterans Auditorium, Prudential Center in Boston, March 3 through 11.

Robert Darwin, president of Scandinavian Design announced that his company, the second largest importer of Scandinavian furniture in the United States, will present an international furniture feature area at the show. Over 2000 square feet of furniture and furniture settings will be on display at the Hynes Auditorium during the big 9 day run of the Home Show.

Pittsfield Trip

This past weekend the Andover team travelled to Pittsfield for a pair of games against the Pittsfield Bantam All Stars.

On Saturday evening Pittsfield came out on top shutting out Andover 3-0. Andover actually outplayed Pittsfield and out shot them 28-16 but they couldn't find the scoring touch.

Sunday's game was a different story, however, as Andover won the barn-burner 7-5.

Three goals by left winger J. J. Downey (9,10,11), two by right winger Greg Sacco (18,19), and one each by center Tom MacDonald (12) and defenseman Bob Leber (3) paced the Andover attack.

Andover took an early lead at the 33 second mark but trailed 2-3 after one period.

Four goals in the second period for Andover while Pittsfield scored only two gave Andover a 6-5 lead entering the final 15 minutes.

Sacco's deflection of a Bob Leber drive at 8:15 in the third period on the powerplay provided some breathing room and Scott Round in the Andover net shut the door the rest of the way to give Andover its seventh win of the season.

Tonight Andover is scheduled to meet Bedford at Wilmington at 9:20 p.m. They will then host Brunswick, Maine at Phillips Academy on Saturday at 7 p.m. and will travel to Revere next Wednesday to take on Chelsea.

Methuen Girls Top Andover

Methuen High beat the Andover High School Girls Track Team 53-38 to remain in second place in league standings.

The AHS Girls took the top spots, however, in four events with first place finishes by Marci Spiegel in the 50, 6.5,

Doretta Robinson in the 300, 40.8; Sue Bright in the mile, 5:52, and the lap relay team of Marci Spiegel, Karen Surret, Polly Whitley, and Doretta Robinson, 1:22.6.

Placing second for Andover were Jill Kennedy, high jump; Janice Stelzer, 600;

Marcia Stansfield 1000, and Jenny Burton, 2 mile. Placing third with their events were Jessica Lamontagne, 2 mile; Ann Frank, hurdles; Monica Williams, 50; Patty Donofrio, 300; Polly Whitley, 600; Marci Spiegel, shot put.

On Monday, Jan. 15, a number of the AHS Girls Track Team participated in the Methuen Invitational Indoor Track Meet

held at the Methuen Field House. The Andover girls placed eighth out of 24 competing teams.

The following girls placed in their individual events. Lap-relay team, 3rd place — Marci Spiegel, Karen Surret, Peggy Edwards, and Doretta Robinson; Doretta Robinson, 3rd place — 300 yd. dash; Marci Spiegel, 5th place — 50 yd. dash and 5th place — shot-put; Jill Kennedy, 5th place — high jump; Janice Stelzer, 7th place — 1000 yd. run; Polly Whitley, 7th place — 440; and Sue Bright, 8th — 1 mile.

AYBL Results

Junior Division

Bears 25, Panthers 21

In the fourth week of the season the once beaten Bears were extended to the limit by the scrappy Panthers before taking down a hard earned 25-21 victory.

Ronnie Kovner and Eddie Sheehan led the way for the bears in the first half. Thanks to the rebounding and scoring of Lydia Wise the Panthers held a 9-6 lead at the half. Bob Manning was also outstanding on defense for the Panthers.

In the third period Nicky Coon and Greg Harris with some very alert play provided the push for the Bears to tie up the game. During the fourth period, the Bears, with four different players sharing in the scoring, kept pulling away but the Panthers behind the scoring of Geoff Bolan and the Hustle of Scott Powers kept coming back to keep the game very close. David Doyle and Sean Sullivan both scored very important baskets in the last period to provide the four point difference that the Panthers won by.

Andover To Host Ski Race

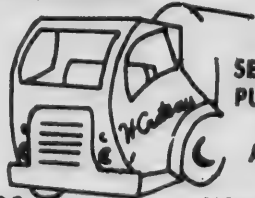

Andover will host the first Bill Koch Cross Country Ski Race of the season this Saturday, Jan. 20, on the playing fields of Phillips Academy. This contest will attract young cross country skiers from the entire Seventh District, an area that includes Bolton, Groton, Acton, Lincoln, Carlisle and the Andover area.

Registration is scheduled for 9:45 a.m., at the Phillips Academy Field House, just south of the football stands. The recommended parking areas are, through the iron gate via Highland Road, along Bancroft Road and along Salem Street. No entry will be permitted at Pearson Farm.

The race will begin at 11 a.m. Up to ten minutes prior to the official start, registered skiers are invited to ski the prepared trail of two to five kilometers, to become acquainted with the rolling race course. Ribbons will be awarded immediately following the race.

Alan and Mary French are coordinating the local event. This is the first time that Andover will host the teams of the Seventh District for a race. Andover joined the Bill Koch League in the winter of 1978. Assisting the Frenches are George Best, John and Donna Perlowski, Peter and Joan Jedrzejek and Frank and Barbara Witt.

Tigers 16, Cougars 8

The undefeated Tigers shooting for their fourth straight victory got some hustling play from George, Phillip and Chris Nelson in the first half to propel them to a close 9-6 lead. One of the main reasons the game was so close was the aggressive defensive play of John Perry who was all over the court making a number of important steals.

Defense was the name of the game in the second half as Chat Churbuck for the Cougars and Robert Detroia for the Tigers were outstanding at holding their men scoreless. Mark Needham and Todd Patti provided the scoring punch that the Tigers needed to secure the win.

Floreen Named Director

David E. Floreen has been promoted to director of government relations for the Massachusetts Bankers Association, Paul J. Foley, president of the association announced. Floreen joined the association in January, 1977 as legislative assistant. As director, Floreen will coordinate the association's legislative and regulatory activities at both the State House in Boston and on Capitol Hill in Washington, D.C.

Prior to joining the association, Floreen was the assistant director of the Rental Housing Association in Boston, and served as an assistant to former Governor Francis W. Sargent and House Minority Leader Francis W. Hatch Jr. Floreen also is a lecturer in Political Science at Northeastern University in Boston, a position he has held since 1974.

A native of Arlington, Floreen received his B.A. degree from the University of Massachusetts at Amherst in Economics and a Master's in Public Administration degree from Northeastern University. Floreen is a member of Pi Sigma Alpha,

the National Political Science Honor Society and the American Society for Public Administration.

Floreen resides on Olde Berry Road with his wife, Carol.

Fuel Cells

Fuel cells (invented by Sir William Grove in 1839) convert the chemical energy of a fuel directly into electricity by an electrochemical process. Fuel cells conserve fuel, do not pollute, and small fuel-cell plants could be located in the area they serve, which would eliminate many power lines, Massachusetts Audubon tells us.

The Gibson House, one of the first houses built in Back Bay Boston and the only Victorian period townhouse open to

the public, is open daily except Monday, 2 nished as it was lived in by the Gibson to 5. The house at 137 Beacon St. is fur- family.

OUTFOX THE SNOW.

Winter's when you need the front-wheel drive Audi Fox. With the engine over the drive wheels, its directional control is terrific in cross-winds, in rain, in sleet, and in snow. And when the weather's good, the Fox is great: 0 to 50 mph in 8.1 seconds, 37 mpg highway, 23 city (1979 EPA estimates with standard transmission. Your mileage may vary depending on how and where you drive, optional equipment, car's condition). Winter's only starting. Right now, test-drive the sports sedan that lets you outfox the snow.

To all persons interested in the estate of AMELIA M. PAPARELLA, otherwise known as AMELIA PAPARELLA late of Andover in said County, deceased.

A petition has been presented to said Court for Probate of a certain instrument purporting to be the last will of said deceased by RONALD J. PAPARELLA of Hamden in the State of

Connecticut, praying that he be appointed executor thereof, without giving a surety on his bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Salem before ten o'clock in the forenoon on the fifth day of February 1979, the return day of this citation.

Witness, ALBERT P. PETTORUTO, Esquire, First Judge of said Court, this fourth day of January 1979.

JOHN F. BURKE,
Register
Jan. 11, 18, 25, 1979

COMMONWEALTH OF MASSACHUSETTS PROBATE COURT Docket No. 343776

Essex, ss.

To all persons interested in the estate of JENNIE C. MUDGETT late of Andover in said County, deceased.

A petition has been presented to said Court for Probate of a certain instrument purporting to be the last will and memorandum of said deceased by CHARLES G. HATCH of North Andover in the County of Essex, praying that he be appointed executor thereof, without giving a surety on his bond. CARL F. MUDGETT, the first named executor in said will, having deceased.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Lawrence before ten o'clock in the forenoon on the twelfth day of February 1979, the return day of this citation.

Witness, ALBERT P. PETTORUTO, Esquire, First Judge of said Court, this eighth day of January 1979.
JOHN F. BURKE, Register
Jan. 18, 25; Feb. 1, 1979

Vice President

The annual meeting of the board of directors, Ernest P. Frocione was elected vice president/meat operations for Cressey, Dockham & Co., Inc. Frocione has been with the company since 1976 and has been responsible for the entire meat and deli department. He was formerly director of meat operations with Loblaw Inc., Buffalo, N. Y.

BUSINESS PROFILES**Clark Chrysler-Plymouth Showing Horizon TC-3**

It's the car of the future — the sporty Plymouth TC-3 — and it is available now at Clark Chrysler-Plymouth, 273 South Union Street, in Lawrence. See it, drive it, and choose your color and options now at Clark Chrysler-Plymouth!

The Plymouth Horizon has been an overwhelming success. Horizon showed American drivers that a car can be smart and roomy, while relating to the road in a way that makes a lot of sense. Now, there's a new Horizon: the sporty TC-3 hatchback. Right from the start, you get lots of extras standard on the new Horizon TC-3... like dual body-side pinstripes, bright moldings, wheel trim rings, electric rear window defroster, AM/FM radio, woodgrain instru-

ment panel applique, luxury steering wheel, custom vinyl seats and door-trim panels, to name a few.

And whatever the season — rain, snow or wind, Horizon TC-3 can help you handle the road with confidence. Front wheel drive, with the engine weight over the drive wheels, rack and pinion steering, 165/75 WSW radial tires and a "tuned" suspension system with front and rear anti-sway controls provide remarkable traction. Its standard 1.7 litre engine with 4-speed floor-mounted manual transmission gives improved fuel economy.

The 1979 Chrysler-Plymouth line-up features some of the finest automobiles ever built. Choose from efficiency sized — sports — hatchbacks — coupes —

sedans — station wagons — personal cars — luxury models. Plus three Voyager Wagon, Trail Duster and the new Arrow Pickup. Newport and New Yorker models have been completely redesigned. And to top it all, there's the most exclusive Chrysler you can own, The Fifth Avenue Edition of the famed New Yorker.

Clark Chrysler-Plymouth also has in stock a good inventory of used cars, late model trade-ins, reconditioned and ready to go.

Stop in soon. See the new Plymouth Horizon TC-3 that everyone is talking about... also the Horizon 4-door. Clark Chrysler-Plymouth is open weekdays 9 A.M. to 9 P.M., Saturdays 9 A.M. to 5. Tel. 688-6053.

Real Estate

By DOUGLAS N. HOWE

REALTOR

THE IMPACT OF EXTERNAL APPEAL

The external appearance of your home has an important impact on potential buyers. You will never get a prospect interested unless he stops to look. Don't rely on the inside of your home "selling" it. Your prospect may be "turned off" before he reaches the front door. So look at the exterior with a critical eye.

Give the house a fresh coat of paint if needed. Replace any broken or cracked windows. Replace loose shingles. Fix the fence. Keep the lawn mowed and the shrubs trimmed to give your house that "well-cared-for" look. Make sure your screen or storm door is in top

shape and your wooden door is inviting with a fresh coat of paint or varnish. It is not uncommon to see a hundred dollars worth of improvements and some elbow grease increase the value of a house over a thousand dollars.

Put yourself in the buyer's shoes. He is looking for charm, comfort, location and a bargain. Give him the best show for the money.

If there is anything we can do to help you in the field of real estate, please phone or drop in at **THE HOWE AGENCY, 4 Punchard Ave., Andover. Phone: 475-5100. We're here to help.**

Atmosphere

In **BLUEBERRY HILL** you'll find the atmosphere of an Old New England village, with homes clustered around the green creating an environment that will protect and enhance the value of your home for many years to come.

DIRECTIONS: South Main Street (Rte. 28) to Salem Street at Phillips Andover Academy, right on Holt Road, left into Blueberry Hill Road.

Are you overlooking an extraordinary way of life?

These people are.

They're residents of Millpond. An extraordinary community of contemporary townhomes in historic North Andover.

At Millpond, a firm regard for the traditions of the past exists side by side with a healthy respect for the joys of modern living.

Take the townhomes themselves. Like the land they occupy, they are bold, rugged, and natural on the outside. Gracious, expansive, and fully convenient on the inside.

There are tennis courts here. A swimming pool. A private beach and boat dock on historic Stevens Pond.

There are nature trails. And ski trails. And riding paths. All on 22 of the most beautiful acres of New England countryside you've ever seen.

The Millpond lifestyle begins at **\$90,000**. Why not come out sometime, and take a careful look at this carefully planned community.

To get here, take Rt. 495 to the Mass. Avenue exit (North Andover). Turn left on 125, and one-half mile later, turn right on Pleasant St. Millpond is one-quarter mile down, on Stevens Pond. From Rt. 128, take 95 North to Exit 151 (Rt. 125 to North Andover). At 125, turn left. Bear right at first traffic light, staying on 125. Turn right on Pleasant St., about 1 1/2 miles down. Millpond is a quarter of a mile away.

School Budget On Agenda

The school committee, which has been largely consumed by the building program recently, is expected to get down to serious budget business Tuesday night. They'll be starting with an increase of about 10 percent, or a total of some \$12,500,000 for 1979-80.

The three members present this week failed to see eye-to-eye on an upper limit — in fact, they varied by more than three percent on an acceptable budget increase.

Committeeman Casimir Kolaski came in on the high side with a recommendation for an 11.5 percent overall increase, while Elaine Viehman said that if she had her

druthers, they'd be "much closer to eight percent."

"But," she added, "I'm not sure you can achieve that."

Joseph Finn was in the middle, feeling that a \$12.5 million budget, or an increase of 9.8 percent, was "more than adequate."

Supt. Kenneth R. Seifert said he will come back with new budget figures, along with detailed information about what those figures will, will not, or might provide.

The administration's first stab at the budget for 1979-80 requested salaries of \$9,854,026, or a 9 percent increase over the current year's appropriations, and ex-

penses at \$2,815,636, or a 19.2 percent increase.

He was quick to note, however, that 14.7 percent of the later was in the area of mandated changes. Blue Cross/Blue Shield will be up \$135,000 alone, and additional 766 students will increase the special education account by about \$46,000, while special ed transportation will go up about \$90,000 plus \$8000 for gasoline.

Seifert said he'd hoped to beef up the instructional programs next year, and that he would most likely have to do that by way of trade-offs. Finn added that if such trade-offs are to be made, they should

come out of the salary department.

Seifert added that they can't count on picking up much from personnel outages any more. While teachers who quit or retire may be replaced by teachers at lower salaries, he said teachers on leave are now more likely to return to their old positions, at much higher salaries than the system was paying their substitutes.

Seifert sent a letter home to all parents last week, asking them to come to the budget deliberations. Now is the time to speak up on programs and the like, he said, not later on in the year when the budget is already set.

Budget Shows 4.6% Hike

The town budget, as it currently stands, represents a 4.6 per cent tax increase, Town Manager Jared S. A. Clark has informed selectmen.

The annual budget is due to be submitted to selectmen and Finance Committee by Friday, Jan. 26, by the manager. Current projections are for a total town budget in the vicinity of \$10,352,000 as compared to last fiscal year's municipal costs of \$9,410,000.

Clark's 4.6 per cent increase is based on the amount of the town budget to be raised through taxation. It also includes the \$300,-

000 to be asked of town meeting in special warrant articles.

The figuring also includes an estimated \$170,000 in new revenues from construction during the past year and on the roles as of Jan. 1, 1979.

Still to be considered in the tax rate forecasting is the effect of the school budget, still under review by the school committee and the possible effect of any tax cap legislation initiated by the state.

The projected costs and tax picture is also based on state reimbursements to town agencies remaining constant.

year's cost was \$50.40 a day, or a total of \$4,158. This year's high bid was \$119.80 a day.

Lesley Buses Roll Again

The school committee Tuesday night approved a contract with Bob Charles Transportation of Boston, to cart Lesley College student teachers to Andover and back again.

The program, to begin Jan. 29, will provide Andover with some 19,000 "aide" hours, while the students get some practical classroom experience.

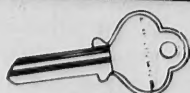

Transportation Assistant Sam Arcidy said that Bob Charles, the low bidder on the job, has also performed this service "very satisfactorily" for the past three years.

The tab will be \$6,290, or an average of about \$90 a day, with Lesley College picking up half. Last
